

# PUBLIC SCHOOL CAPITAL OUTLAY COUNCIL January 9, 2023 – 1:30 PM State Capitol Building, Room 317 Santa Fe, NM

# I. Call to Order - Joe Guillen, Chair

- A. Approval of Agenda\*
- B. Correspondence

\* Denotes potential action by the PSCOC

### PUBLIC SCHOOL CAPITAL OUTLAY COUNCIL (PSCOC)

# Agenda

# January 9, 2023 – 1:30 pm State Capitol Building Room 317

(\*Denotes potential action by the PSCOC)

### I. Call to Order – Joe Guillen, Chair

- A. Approval of Agenda\*
- B. Correspondence

### II. Public Comment

### III. Finance

- A. PSCOC Financial Plan
- B. Bond Reconciliation Update

## IV. Consent Agenda\*

- A. November 10<sup>th</sup>, 14<sup>th</sup>, and 21<sup>st</sup>, 2022 PSCOC Meeting Minutes\*
- B. 2023 Standards-based Capital Outlay Award Estancia Estancia ES \*
- C. 2023 Systems-based Capital Outlay Award Gadsden Santa Teresa MS, Loma Linda ES, and Sunland Park ES\*
- D. S22-004 Floyd Floyd (Combined) -Construction Funding Request\*
- E. 2022 BDCP Cat2 Awards (Network Equipment)\*
- F. Recertification of SSTBs\*
- G. November 21, 2022 Bond Certification Ratification\*
- H. E-rate Central Agreement\*
- I. 2023 wNMCI Final Ranking Approval\*

### V. Awards Cycle

- A. Pre-Applications Received
- B. 2023 Capital Funding Pool and Application Announcement Letter\*
- C. 2023 Standards-based Capital Outlay Award Pojoaque Pojoaque MS\*

### VI. Out-of-Cycle Awards

- A. P22-001 Gadsden Gadsden MS Award Language Change\*
- B. P22-006 Gadsden Chaparral MS Award Language Change\*
- C. P19-003 Gallup Rocky View/Red Rock ES Construction Funding Request\*

### VII. Other Business

A. Teacher Housing Policy for Standards-based Awards\*

### VIII. Informational

- A. Statewide Education Network (SEN) Update
- B. Project Status Report

### IX. Next PSCOC Meeting - (Proposed for April 12, 2023 - tentative)

### X. Adjourn

# PUBLIC SCHOOL CAPITAL OUTLAY COUNCIL SUBCOMMITTEE ASSIGNMENTS

### **PSCOC**

Joe Guillen, Chair Raúl Burciaga, Vice-Chair

### **Awards Subcommittee**

Antonio Ortiz, PED Clay Bailey, CID David Abbey, LFC Gwen Perea Warniment, LESC

# Administration, Maintenance & Standards Subcommittee

Ashley Leach, DFA Mariana Padilla, Governor's Office Raúl Burciaga, LCS Stewart Ingham, PEC

Joe Guillen will serve on subcommittees in the absence of any member or designee.

January 9, 2023 Item No. I.B.

I.	Correspondence	
II.	Presenter:	Martica Casias, Executive Director
III.	No corresponder	nary (Informational): ace at this time.

# II. Public Comment

# III. Finance

- A. PSCOC Financial Plan
- B. Bond Reconciliation Update

January 9, 2023 Item No. III.A.

# I. PSCOC Financial Plan

**II. Presenter(s):** Brad Mathews, Chief Financial Officer

# **III.** Executive Summary (Informational):

# **Key Points:**

On the agenda today is:

# • Standards:

P22-001 Gadsden – Gadsden MS \$694,462

P22-006 Gadsden – Chaparral MS \$534,133

P19-003 Gallup-McKinley Rocky View/Red Rock ES \$26,321,213

➤ \$ 4,114,284 request for certification - \$22,206,949

Pojoaque – Pojoaque MS – \$2,090,939

Estancia – Estancia ES – \$662,256

# • Systems:

S22-004 - Floyd Combined \$518,595

Gadsden – Santa Teresa MS \$354,255

Gadsden – Sunland Park ES \$194,491

Gadsden – Loma Linda ES \$129,674

# **Exhibit(s)**:

# **PSCOC Financial Plan Definitions**

### **Sources**

SSTB (Revenue Budgeted July) & SSTB (Revenue Budgeted January). Supplemental Severance Tax Bonds (SSTBs) are issued and sold by the New Mexico State Board of Finance (BOF) upon receiving a Resolution authorized by the PSCOC and signed by the chair certifying the need to sell bonds pursuant to the Public School Capital Outlay Act ("Act"). The Public School Facilities Authority (PSFA) budgets amounts into the Public School Capital Outlay Fund ("Fund"). Amounts reported for prior fiscal years are actuals and are denoted by an " \* ". Amounts reported for the current fiscal year and out-years are the most current, available capacity estimates prepared biannually by the BOF. Bonds sold in June are budgeted in July and bonds sold in December are budgeted in January.

**Project Reversions, Operating Reversions, and Advance Repayments.** Project reversions are identified by PSFA staff through ongoing project financial audits.SSTB proceeds that have been previously authorized by PSCOC for particular projects are identified by PSFA staff for reversion when the proceeds are no longer needed for the particular project for which they were authorized.

Operating reversions are unexpended amounts from PSFA's annual operating budget. These amounts are reverted to the Fund annually via an operating transfer.

Advance repayments are amounts remitted to PSFA and deposited into the Fund by school districts for PSCOC approved advances of funds for school districts local share amounts on PSCOC projects. Amounts reported for prior fiscal years are actuals.

**Long Term Bonds.** This includes Severance Tax Bonds (STB) appropriated to the Fund. In FY 2017 and 2018 the Legislature appropriated \$81.4 million in STB proceeds to the Fund for expenditure in FY 2018 - 2022. Any unexpended or unencumbered balance remaining at the end of FY 2022 will revert to the severance tax bonding fund.

### **Uses: Public Schools Capital Outlay Act**

**FP Summary Legend:** Italicized is for Legislative Appropriations. Orange text is for discretionary programs. Black text is for non-discretionary programs.

Capital Improvements Act (SB-9), Lease Payment Assistance Awards, Master Plan Assistance Awards, PSFA Operating Budget, Construction Industries Division (CID) Inspections, and State Fire Marshal are uses subject to funding availability and permitted pursuant to the Public School Capital Outlay Act and Capital Improvements Act.

Capital Improvements Act (SB-9) amounts are transferred to the Public Education Department (PED), which distributes funds to school districts pursuant to the Capital Improvements Acts. Amounts transferred to PED are calculated annually and administered by PED. Outvear estimates are based on previous amounts distributed to PED.

CID Inspections and State Fire Marshal are amounts PSCOC may approve annually for transfer from the Fund to the Regulation and Licensing Department for expedited inspection services by the Construction Industries Division and expedited permits and inspection of projects conducted by the State Fire Marshal Department at PSCOC funded project sites. CID and the State Fire Marshal requests budget authority from PSCOC each fiscal year. Out-year estimates are based on previous amounts distributed to CID and the State Fire Marshal.

**PSFA Operating Budget** are amounts that are approved annually by the Legislature for transfer from the Fund to the PSFA Operating Fund for administration and oversight of PSCOC projects and carrying out duties pursuant to the Public School Capital Outlay Act. Total annual expenditures from the fund for the core administrative functions, cannot not exceed 5% of the average annual grant assistance authorized from the PSCO Fund during the immediately preceding three fiscal years. And any unexpended or unencumbered balance remaining at the end of the fiscal year from the expenditures authorized in this subsection revert to the fund.

# **PSCOC Financial Plan Definitions**

**Lease Payment Assistance Awards** are amounts that may be approved annually for reimbursing school districts and charter schools for leasing K-12 facilities pursuant to the Section I. of the Public School Capital Outlay Act (22-24-4). PSCOC discretion is used to estimate the preliminary amount for lease assistance. The financial plan is updated based upon PSCOC action.

**Master Plan Assistance Awards** are amounts that may be approved annually for the state share of the cost of updating a school district or charter schools five year facility master plans. The financial plan includes an estimate for out-year amounts based upon previous award history. The financial plan is updated based upon PSCOC action.

**Project Closeouts** are projected amounts that may be reimbursed to the districts upon the completion of financial audits for previously awarded projects. In order to align the total project expenditures to adequacy with the MOU match percentages, amounts may be due to the district if the State share of the expenditures is less than the MOU State match percentage. During the transition from FIFO (pooled funds) to project-specific budgets, projects which had reached construction completion may not have been assigned a budget, and this line item will be used to make those reimbursements. PSFA anticipates the need for this line item allocation in FY15 and FY16. Project closeouts from FY17 and forward are budgeted within the project. There is no additional need in the out-years.

**Emergency Reserve for Contingencies** are projected amounts that may be used to fund the State share of a project that is above the original award amount. These amounts can occur due to cost overruns, change in scope or other identified changes presented to the PSCOC. The financial plan includes an estimate from PSFA staff and is discussed with subcommittees. The estimate may change based upon market conditions or PSCOC discretion.

### **Uses: Legislative Appropriations**

Instructional Materials/Transportation Distribution, Pre-kindergarten Awards, Security Awards and Broadband Deficiencies Corrections Program are uses subject to funding availability and appropriations made by the legislature.

Instructional Materials/Transportation Distribution are amounts appropriated from 52nd Legislature, 2016 2nd Special Session, Chapter 2, SB4 to reserve \$25.0 million in each fiscal year from 2018 through 2022 for appropriation by the legislature from the Public School Capital Outlay Fund. The appropriation may change each fiscal year and is adjusted in the financial plan based upon passed legislation.

Pre-kindergarten Awards are amounts reauthorized in Section 139 for the unexpended balance of the appropriation to the PED in Subsection 1 of Section 40 of Chapter 81 of laws 2016 to plan, design, renovate and construct public school pre-kindergarten classrooms statewide is appropriated to the PSFA contingent upon approval by the PSCOC for those purposes. Expenditure is extended through year 2021. The financial plan is estimates \$5.0 million in out-years to continue this program and was added per PSCOC direction.

Security Awards are amounts appropriated from 53rd Legislature, 2nd Session, 2018 Regular Session, HB306 appropriated for expenditure in fiscal years 2018 - 2022 from the PSCO fund to the PSFA to plan, design and install security systems and for repairs, renovation, or replacement of school security systems statewide, contingent upon the approval of the PSCOC \$6.0 million.

SB239 was also included in this session. Up to \$10.0 million of the fund may be expended in each of fiscal years 2019 - 2022 for school security system project grants made in accordance with Section 22-24-4.7 NMSA 1978.

The financial plan represents actuals for FY19 and out-years is based on PSCOC discretion and may be adjusted based upon applications received.

Broadband Deficiencies Correction Program are amounts from 51st Legislature, 2nd Session, 2014, SB159. Up to \$10.0 million

January 9, 2023 Item No. III.B.

# I. Bond Reconciliation Update

II. Presenter(s): Brad Mathews, Chief Financial Officer

Iris Romero, Deputy Finance Officer

# **III.** Executive Summary (Informational):

# **Key Points:**

Bond reconciliation is for years 2011 to 2021 (10 years)

# Three step process:

- 1. SHARE (expenditures)
- 2. SHARE (revenue)
- 3. Board of Finance (draws)

# Bonds for reconciliation SSTB11SD to SSTB21SB

- 31 Bonds SSTB13SB and SSTB13SE are in process for reconciliation
- 21 complete at a detail level; however, as we continue work, adjustments may be made
  - o Matched expenditures to revenue and Board of Finance draw
  - o On a one-on-level
  - o 8 complete at a high level; however, not on one-to-one, but an aggregate level, and adjustment may be made
  - o 500 to 1.000 transactions
- 2 bonds remaining to reconcile:
  - o Might cause adjustments to the total

### Fund balance:

- Estimated reduction of \$24M (bond reconciliation)
- Estimated \$91.9M (next PSFA draw within the next couple of weeks)
- Current balance is \$708M
- After bond draw estimated fund balance is \$616.7M
- \$339.2M December bond sale for a total estimated balance of \$955.9

# **Next steps:**

- Continuation of work on the 8 bonds at the high level and the two remaining bonds
- Meet with DFA to review reconciliation and present corrections

# IV. Consent Agenda\*

- A. November 10th, 14th, and 21st, 2022 PSCOC Meeting Minutes\*
- B. 2023 Standards-based Capital Outlay Award Estancia Estancia ES\*
- C. 2023 Systems-based Capital Outlay Award Gadsden Santa Teresa MS, Loma Linda ES, and Sunland Park ES\*
- D. S22-004 Floyd-Floyd(Combined)- Construction Funding Request\*
- E. 2022 BDCP Cat2 Awards (Network Equipment)\*
- F. Recertification of SSTBs\*
- G. November 21, 2022 Bond Certification Ratification\*
- H. E-rate Central Agreement\*
- I. 2023 wNMCI Final Ranking Approval\*

\* Denotes potential action by the PSCOC

# VI. Finance

### A. PSCOC Financial Plan

Mr. Brad Mathews, PSFA Chief Financial Officer, presented the PSCOC Financial Plan highlighting changes from the executive summary since the last meeting.

# **B. Bond Reconciliation Update**

Mr. Brad Mathews, PSFA Chief Financial Officer, presented the updates from the Bond Reconciliation. Staff will work on documentation of processes.

# C. December Certification of Bond Sale\*

Mr. Brad Mathews, PSFA Chief Financial Officer, presented the request to approve the December Certification of Bond Sale. No significant discussion occurred.

<b>MOTION:</b> Mr. Guillen moved for Council approval of the December 2022 Certification and	
Resolution to sell SSTBs in the amount of \$339.2M. As this was a subcommittee	APPROVED
recommendation, a second was not needed and the motion was unanimously approved.	

# VII. Consent Agenda\*

Items on the Consent Agenda were not discussed; all Consent Agenda items were approved in a single motion.

# A. October 11, 2022 PSCOC Meeting Minutes

Council approval of the October 11, 2022 PSCOC Meeting Minutes.

### B. 2023-2024 Facilities Master Plan Assistance Awards

Council approval to make the 2023-2024 Facilities Master Plan (FMP) Assistance awards funding the state share for applicant school districts and state-chartered charter schools in the amounts not-to-exceed in Exhibit A (Column H/Rows 1-21) for a total of \$555,035.89.

# C. S23-001 Gallup Indian Hills ES – Technical Correction to Award Language Change

Council approval to amend the award language to include a technical correction of the state match from \$6,063,191, to the correct state match of \$3,475,836 (82%), for the current Systems-based award to the Gallup-McKinley County Schools for Indian Hills ES.

# D. 2022 Broadband Deficiencies Correction Program Cat2 Awards (Network Equipment)

Council approval to make Broadband Deficiencies Correction Program (BDCP) awards of actual E-rate approved project amounts to provide the state match for application funding year 2022 for Category 2 (Network Equipment) to six school districts/schools for a total of \$91,466.68 up to the amounts listed in column O of the award spreadsheet attached as Exhibit A.

# E. 2022 Broadband Deficiencies Correction Program Cat2 – Technical Correction to Award Language Change

Council approval to correct the October 2022 Cat2 total award amount from \$222,304.97 to \$222,172.82, with the state award amount for Vaughn schools being \$314.60 instead of \$595.67 as shown in Exhibit A.

# F. Special Budget Request

Council approval for the following special budget requests:

- Purchase 11 vehicles for \$214,456.
- Procure an IT power backup supply for \$150,000.

# G. FY22 PSFA Annual Report Draft

Council approval of the FY22 PSCOC and PSFA Annual Report draft, and authorization for PSFA staff to make final edits, technical corrections, and graphic development. Final document to be approved by the PSCOC and subcommittee chairs prior to printing and distribution.

# H. Joint Powers Agreement for Office of the Broadband and PSCOC

Council approval for Joint Powers Agreement (JPA) (dependent on successful negotiations with the top ranking proposers to the Statewide Education Network (SEN) RFP) with the State of New Mexico's Office of Broadband Access and Expansion (OBAE), administratively attached to the Department of Information Technology (DoIT), for the oversight and management of the SEN.

**MOTION:** Mr. Robbins moved for Council approval of the consent agenda. Dr. Warniment seconded the motion. As there was no opposition, **the motion was unanimously approved.** 

**APPROVED** 

# VIII. Awards Cycle

# A. 2022-2023 Capital Outlay Standards-based Overview of Potential Awards and District Presentations

Ms. Alyce Ramos, PSFA Programs Manager, reviewed the applications and potential awards for Estancia and Pojoaque. The two districts presented their formal request to the Council. The Awards will be presented to the districts at the Full Council meeting on January 9th, 2023.

# IX. Out-of-Cycle Awards

# A. P22-005 Los Alamos Pinon ES – Construction Funding Request\*

Ms. Casias presented the request from the district. The motion was amended to include a replacement facility for Pre- K-6<sup>th</sup> grade.

**AMENDED MOTION:** Mr. Guillen moved for Council approval to amend the current Standards-based award to Los Alamos Public Schools for Pinon ES to include Construction Phase funding for a replacement facility for 378 students, grades *Pre-K-6<sup>th</sup>*, up to the maximum allowable gross square footage of 50,411 GSF, with an increase in the state match of \$7,485,546 (20%) and a corresponding local match of \$29,942,184 (80%). As this was a subcommittee recommendation, a second was not needed and **the motion was unanimously approved.** 

AMENDED APPROVED

# B. T20-029 West Las Vegas – Request for Emergency Systems-based Award\*

Ms. Casias presented the request for an Emergency Systems-based award. The Council amended the motion to include a bi-monthly report to PSFA from the district and deadline for the project completion of August of 2023.

**AMENDED MOTION:** Mr. Guillen moved for Council approval of an Emergency Systems-based award to the West Las Vegas School District in the full amount of the original Security award, totaling \$502,263.00, pursuant to \$22-24-4.6 NMSA 1978. Mr. Bailey seconded the motion. There being no opposition, the motion was unanimously approved.

AMENDED APPROVED

# C. P23-004 Farmington – Heights MS – Local Match Advance Request\*

The motion was approved by the Council as recommended by the Awards Subcommittee. All three requests were approved in one motion with no further discussion.

**MOTION:** Mr. Guillen moved for Council approval to amend the current Standards-based award to Farmington Municipal Schools for Heights MS for the following:

- Part 1: A reduction of the current local match from \$2,915,673 (63%) to \$1,943,782 (42%) and, an increase in the state match from \$1,712,379 (37%) to \$2,684,270 (58%).
- Part 2: An advance of the reduced local match of \$1,943,782 for the previously award Planning and Design Phase and a repayment plan of 2 annual payments of \$647,927.33 and 1 annual payment of \$647,927.34 starting on June 1, 2026 and concluding on June 1, 2029, that is contingent upon a successful General Obligation Bond election in November 2025. For an increase in the State match of \$1,943,782 for a total of \$4,628,052 (100%) and decrease of the local match to \$0.00. As there was no opposition, the motion was unanimously approved.

APPROVED

# D. P23-005 Farmington – Mesa Verde ES – Local Match Advance Request\*

No discussion for this item occurred. The motion was approved as recommended by the Awards Subcommittee.

**MOTION:** Mr. Guillen moved for Council approval to amend the current Standards-based award to Farmington Municipal Schools for Mesa Verde ES for the following:

- Part 1: A reduction of the local match from \$1,786,208 (63%) to \$1,190,805 (42%) and an increase in the state match from \$1,049,043 (37%) to \$1,644,446 (58%).
- Part 2: An advance of the reduced local match of \$1,190,805 for the previously award Planning and Design Phase and a repayment plan of 3 annual payments of \$396,935 starting on June 1, 2026 and concluding on June 1, 2029, that is contingent upon a successful General Obligation Bond election in November 2025. For an increase in the State match of \$1,190,805 for a total of \$2,835,251 (100%) and decrease of the local match to \$0.00 (0%). As there was no opposition, the motion was unanimously approved.

**APPROVED** 

# E. K23-001 Farmington – Preschool Academy East – Local Match Advance Request\*

No discussion for this item occurred. The motion was approved as recommended by the Awards Subcommittee.

**MOTION:** Mr. Guillen moved for Council approval to amend the current Pre-Kindergarten-based award to Farmington Municipal Schools for Preschool Academy East to include a reduction of the local match from \$1,701,194 (63.00%) to \$850,597 (31.50%) for the previously awarded Planning and Design Phase, and an increase in the state match from \$999,114 (37.00%) to \$1,849,711 (68.50%). As there was no opposition, **the motion was unanimously approved.** 

**APPROVED** 

# X. Other Business

## A. Recertification of SSTBs

Mr. Mathews reviewed the item and the requested to approve the recertification of Supplemental Severance Tax Bonds for the purpose of PSCOC awarded projects and noted the amount for Los Alamos Pinon ES.

**MOTION:** Mr. Guillen moved for Council approval for the adoption of the Resolution, Notification, and Certification and Reconciliation of unexpended bond proceeds as follows:

- SSTB21SD 0001 in the amount of \$4,701,881 for PSCOC awarded projects.
- SSTB21SB 0001 in the amount of \$7,485,546 for Los Alamos Pinon ES.

APPROVED

Delegate authority to the PSCOC Chair to approve any changes to the resolutions and recertifications that may be required upon review by the State Board of Finance. As this was a subcommittee recommendation, a second was not needed and **the motion was unanimously approved.** 

### **B. 2023 PSCOC Work Plan Timeline\***

Ms. Ramos presented the item and request to approve the 2023 PSCOC Work Plan Timeline. The item was tabled because the Council decided it would be best to approve a timeline after the 2022 Legislative Session.

**TABLED:** Mr. Guillen moved to table the Council approval to adopt the proposed 2023 PSCOC work plan timeline, (Scenario 1 -PSCOC and subcommittee meetings held on Wednesdays), with capital funding awards made throughout the calendar year. Schedule is subject to change as deemed necessary by the PSCOC. As there was no opposition, **the motion was unanimously approved.** 

**TABLED** 

# C. Guidelines for Teachers and Students for the Statewide Education Network SEN\*

The guidelines were approved as presented. No significant discussion occurred.

**MOTION:** Mr. Guillen moved to table the Council approval of the Guidelines for Students and Teachers Home Connectivity including a Hybrid Model. The PSCOC shall review the guidelines periodically, and amend them as time and circumstances require. As there was no opposition, **the motion was unanimously approved.** 

**APPROVED** 

# XI. Informational

# A. Process Improvements Implementation

The item was presented as an informational item. Staff reported to the Council that a phase two contract was put into place for the implementation of processes. Part of phase two would include interviewing the Council. The vendor will also work further with the PSFA staff.

# B. Ben Lujan Maintenance Achievement Awards

The item was not discussed or presented.

# I. 2023 Standards-based Capital Outlay Award - Estancia – Estancia ES

II. Presenter(s): Alyce Ramos, Programs Manager

Martica Casias, Executive Director

# **III. Potential Motion:**

Council approval to make a Standards-based capital outlay award to (Estancia) Estancia Elementary School \$662,256 state share (49%), and \$818,993 district share (51%); planning and design phase funding for consolidation of the facility, for 301 students, grades Pre-K-6. Project to include the renovation of the existing facility and a gymnasium addition with additional classrooms and spaces as required. Enrollment projections and gross square footage must be updated and approved by the PSCOC prior to construction funding. Each allocation is intended to fully complete the project, phase or specified purpose. Upon completion of this awarded phase of work, including conformance with all contingencies, out-of-cycle funding for future phases of work may be considered at any upcoming regularly scheduled PSCOC meeting.

# **IV.** Executive Summary:

# **Request:**

Estancia Municipal Schools applied for a Standards-based award to consolidate the Elementary School facility into one building. This requires the renovation of the existing facility and an addition.

# **Staff Recommendation:**

Make a Standards-based award for the planning and design phase of the consolidation of Estancia Elementary School.

Renovation of the existing Upper Elementary School building to include:

- Major renovation/reconfiguration of portions of the building to create necessary classrooms, educational spaces, support spaces, and a secure vestibule
- Fire suppression system
- Minor refurbishments

### Addition to include:

- Gymnasium
- Classrooms/spaces that do not fit in renovated/reconfigured spaces

# **Key Points:**

# Eligibility:

The 2022-2023 Standards-based eligibility is as follows: top 150, or campus FCI greater than 70%. A school's eligibility is determined at the time of application.

- At the time of application, Estancia ES was ranked #63, and was therefore eligible for Standards-based funding.
- During 2022, the Estancia Municipal School District upgraded the Estancia ES HVAC system using the federal Covid relief funding. This resulted in the school dropping in the ranking, to #404.

## Consolidation:

The district is consolidating the Elementary School in an effort to right-size the facility and program.

- Upper Elementary School building keep, renovate to accommodate entirety of program, addition to include gym and necessary spaces.
- Lower Elementary School building to demolish (reduce square footage)
- Van Stone building to keep, turn into community building (non-educational)

# Gross Square Footage:

The school intends to consolidate, renovate and add onto the existing Upper Elementary School building for a total of 45,656 GSF. This is 4,421 NSF larger than the maximum allowable GSF, as determined by the calculator.

- The Upper Elementary School building was constructed in the year 2000, and is in good condition. It is not advisable to replace this building.
- Renovation of the entire facility to fit all required classrooms and spaces, within the existing GSF, would be extensive and cost prohibitive.

# **Potential Funding:**

- Estancia Municipal Schools can fully fund the local share of Phase 1.
- The district may need a local share reduction to fully fund Phase 2, depending on the estimated construction cost.
  - o If the legislative initiatives pass and can be applied to this award, the district will likely be able to afford the local share in full.

# 2022-2023 PSFA Summary: Estancia Municipal Schools - Estancia Elementary School

### **District Request**

#### Request

Standards-based award for the consolidation of the Estancia Elementary School.

301 students

#### Eligibility

- Ranked 63
- wNMCI of 39.90%
- Campus FCI of 68.66%

#### **Project Need**

- Existing facility has three separate buildings that are spread out, inefficient and underutilized
- The Lower Building has surpassed it functional life span and is in poor condition

### Scope of Work

- The district plans to consolidate and right-size the facility, which is now separated into three separate buildings:
  - Upper Main Building (2000) retain
    - Renovate library and adjacent classrooms to meet adequacy and provide additional classrooms
      - Install secure vestibule
      - Install fire sprinklers
      - · Refurbish as needed
    - Addition gym and classrooms to compensate for classrooms lost at lower building
  - Lower Building (1966) demolish due to age and condition
  - Van Stone Building (1921) retain to create community center (not educational space)

#### **Estimated Costs**

• \$14,812,486 total project cost

### **Financing**

- The district has sufficient funding to accommodate the local match (51%) of Phase 1 (planning & design) of the potential project
- The district may not have adequate funds to accommodate the local share of Phase 2 (construction)
- Current bond Nov. 2021 election \$5M, intended to fund this potential project

	Total	Local Match 51%	State Match 49%
Estimated Project Cost	\$14,812,486	\$7,554,368	\$7,258,118
Offset	\$63,556	+ \$63,556	- \$63,556
Adjusted State/Local Match	\$14,812,486	\$7,617,924	\$7,194,562

### **PSFA Recommendation**

PSFA agrees with the district's request consolidate Estancia Elementary School by renovating the existing Upper Main Building and constructing an addition to include the gym and necessary spaces.

#### **Existing Facility / Project Need**

- The existing facility is disjointed with three separate buildings
- The Upper School Main Building is in good condition, but requires partial renovation and addition
- The Lower Building is nearing the end of its functional life span and is in poor condition
- FAD Data:
  - Elementary Combo average FCI 68.66% (per current ranking)
    - Upper Main Building 33.98% FCI
    - Lower Building 55.12% FCI Multiple systems have surpassed the functional life span
    - Van Stone Building 59.56% FCI Multiple systems have surpassed the functional life span
  - The school upgraded the HVAC system in 2021 due to COVID and condition, this lowered the buildings'
    FCI scores. Without this improvement, the Lower Building and Van Stone building FCI scores exceeded
    the 60% threshold for recommended replacement

#### **Gross Square Footage**

- The existing Upper Elementary School building, which the school intends to keep, renovate and add onto in order to consolidate, is 45,656 GSF. This is 4,421 NSF larger than the maximum allowable GSF.
  - The building was constructed in 2000 and is in good condition (33.98% FCI).
  - Renovation of the entire facility to fit all required classrooms and spaces, within the existing GSF, would be extensive and cost prohibitive.
- PSFA recommends participating in the full renovation of the facility and addition to allow to the school to consolidate and right-size in a cost efficient and logical manner.

#### **Phasing**

- Phase 1 Planning and Design
  - Determine scope of work (enrollment projections), programming, design, construction documents
    - Square footage needed for addition
- Phase 2 Construction (Out-of-Cycle)
  - District can return to the PSCOC for an Out-of-Cycle funding request for construction

#### Recommendation

- PSFA recommends PSCOC participation in the total project cost
- PSFA agrees with the total estimated project cost submitted in the district's application, based on the following assumptions:
  - **301 students** projected 5 year enrollment
  - \$450/SF (MACC) new construction gym
  - \$175/SF (MACC) renovation Upper Main Building
  - \$11,394,220 = Total MACC
  - \$297/SF (TPC), including 30% soft costs (NMGRT, architect fees, testing, consultants, and contingency)
  - \$14,812,486 = Total Estimated Project Cost eligible for state funding

Total Estimated Project Cost Per Application	Phase 1 Planning / Design	Local Match %	State Match %	Offset	Phase 1 Net Local Match After Offsets	Phase 1 Net State Match After Offsets
\$14,812,486	\$1,481,249	51	49	\$63,556	\$818,993	\$662,256

Out-Year Local	Out-Year State
Match	Match
\$6,798,931	\$6,532,306

# **Systems-Based Eligibility Requirements**

Requirement		School Meets
• Rank	Top 350	63
wNMCI		39.90%
• FCI	Greater than 70%	68.66%
• FMAR	FAMR > 70%	75.03%
PM Plan	Must be current	Current
FIMS use	2.0 or better	Yes
• FMP	Must be current	Current
Local Match	District must have at time of award	Phase 1 only

# **Facility Description**

Original Construction Date: 1921
 Additions: 1966, 2000
 Total Gross Square Feet: 79,522

Permanent Square Feet: 79,522
 Portable Square Feet: 0
 Number of Buildings: 3
 Number of Portables: 0

# Planning Summary

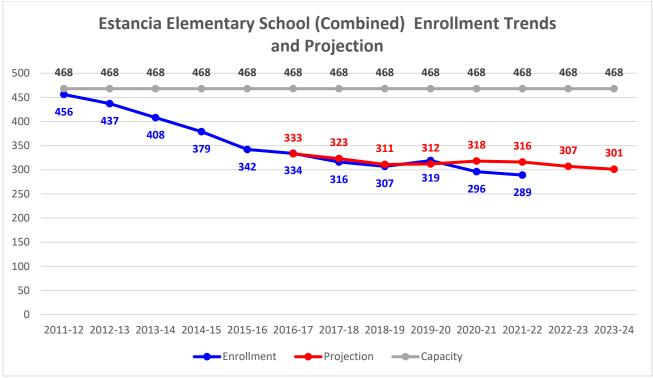

Facilities Master Plan: Current - 2017-2022 (District is currently working on new FMP)

FMP Priority for School: 3<sup>rd</sup> Ranked Priority for re-organization/consolidation or replacement

<u>Planning Recommendation</u>: The district might benefit from replacing the existing buildings with a new Pre-K-6<sup>th</sup> grade campus

### **Enrollment Trends and Projections:**

The following chart shows the enrollment trends and projection for the Estancia Elementary combined campus.

Source: Enrollment- PED 40-Day Enrollment Counts; Projection/Capacity - 2017-2022 FMP

The enrollment projection began with the 2016 -17 school year, which provides several years of actual
enrollment by which to compare. Up until the 2020-21 COVID-impacted school year, the projection was
consistent with the actual trend.

#### **FMP Highlights/Issues:**

- The district's elementary students are on one site, but the district considers each school a separate campus and reports their enrollment according to:
  - Van Stone (K)
  - Lower Elementary (Pre-K, 1<sup>st</sup>-3<sup>rd</sup>)
  - Upper Elementary (4<sup>th</sup>-6<sup>th</sup>)
- The FMP treats them as separate buildings in terms of facilities needs, but also provides Pre-K-6th enrollment projections.
- As the 3rd ranked priority, the FMP recommends the district re-organize, replace, or reconfigure the elementary school campus.
- The school is inefficient with several vacant spaces and replacement of the building into one elementary school building will help with operations.
- The FMP identifies over \$7 million in building systems needs as well. These needs include:
  - Lower/Van Stone
    - HVAC
    - Plumbing
    - Ceiling tile/asbestos abatement
    - Flooring
    - Roof repairs/replacement
    - Windows/Doors replacement
    - Boiler replacement
  - Upper
    - Lighting

- Building finishes
- At each building, the FMP recommends structural repairs.
- The existing building configuration makes executing the educational program difficult as teachers cannot collaborate effectively.

The following table provides an overview of district capacity and utilization.

School	Grade Level	2019-20 Enrollment	2020-21 Enrollment	2021-22 Enrollment	School Functional Capacity	Alb. Cap.	Vacant CR (per FMP)	CR Occupa ncy Rate	School Utilization (per FMP)
Estancia Combined ES	Pre-K-6th	319	296	289	468	179	11	74%	39%
Estancia MS	7th-8th	90	78	84	186	102	0	41%	69%
Estancia HS	9th-12th	187	189	174	471	297	9	30%	41%
TOTALS		596	563	547	1,125	562	20	48.33%	49.67%

Source: Enrollment- PED 40-Day Enrollment Counts; Projection/Capacity - 2017-2022 FMP

Per data from the FMP, the Elementary complex had 11 vacant or unassigned classrooms at the time of adoption.

The next table provides a classroom overview.

			Perm	anent Class	rooms			
School	Pre-K	Gen Ed CR	Special Ed CR	Specialty CR	Vacant	Other	TOTAL Perm CR	Portable CR
Lower ES	1	2	3	3	6	1	16	0
Upper ES	0	16	2	5	3	0	26	0
Van Stone ES	0	2	1	1	2	0	6	0
Estancia MS	0	4	2	3	0	0	9	0
Estancia HS	0	7	3	17	9	0	36	0
TOTALS	1	31	11	29	20	0	92	0

Source: 2017-2022 FMP

• Per the FMP, the Elementary complex contains 47 total classrooms, of which 21 accommodate Pre-K and general education (K-6<sup>th</sup>). The other classrooms house special education or specialty functions such as art, music, and computer lab. There are 11 vacant classrooms and another classroom used for the nurse suite in the Lower facility.

The next table compares the total GSF of the elementary complex to the GSF eligible for the enrollment projection of 301.

ata
301
79,522
41,235
38,287

Source: PSFA GSF Calculator/FAD

• The table suggests the existing GSF is 38,287 over the amount allowed by the GSF calculator.

### **Maintenance Summary**

The Estancia Municipal School District meets all statutory requirements (as of September 14, 2022)

- Preventive Maintenance Plan is current
  - Last updated January 9, 2022 (Annual update required; 6.27.3.11 NMAC)
  - Plan rated Outstanding
- Quarterly FIMS Proficiency Reports: Satisfactory user of 2 of the 3 State provided FIMS maintenance resources and progressing with the 3<sup>rd</sup> module, Utility Direct
- PM Completion Rate: 100% performance rating
  - above the 90% recommendation
- Facility Maintenance Assessment Report (FMAR): district average is 75.03%
  - The district is maintaining their assets and facility conditions to a Satisfactory level
  - Currently above the state average of 71%, and improving
  - Please note: Data indicates the district is progressing with performance and improving facility conditions on all levels

#### Estancia Elementary School FMAR performance rating (May 9, 2022)

- 86.286%
- Good performance with 5 Minor and 0 Major Deficiencies

### **Staff Recommends:**

- Continue their diligence towards improved core maintenance to 80% (Good) ratings;
- Continuing their use of the FIMS tools to drive district maintenance performance and responding to subsequent FMARs through the 60-day response process supporting quality facility conditions

# ESTANCIA MUNICIPAL SCHOOLS

P.O. Box 68 / Estancia, NM 87016

Cindy L. Sims, PhD Superintendent Phone (505) 384-2006 Fax (505)384-2015

Dear Public School Capital Outlay Council,

Introduction: I am excited to reach out to you regarding a standards-based project at the Estancia Upper Elementary School. Our community recently passed a Bond Election, raising \$5,000,000 to address the elementary facilities. Currently, our  $PreK - 6^{th}$  grade students are spread across three buildings in one geographic area of the district. When this was initially considered, it was under the auspices of a reading grant. What has been learned over time, however, is that this isolates teachers and students from one another (a safety and collaboration concern). Our standards-based project includes a remodel of space at the Upper Elementary (built 1996 - 1999), reducing the 5,983 library footprint to a smaller size, converting it into necessary classroom space to relocate all students onto one campus, and demolishing the Lower Elementary (constructed in 1966 and remodeled in 1971). This demolition was recommended in the district's 2018 - 2022 Facility Master Plan. Our third building, Van Stone Elementary (built in 1921 but very well maintained) will become the Van Stone Community Center.

<u>Eligibility</u>: The consolidated elementary campus ranking (for the three buildings) is currently at 63. Our current wNMCI score is 39.90% (I'm not sure I am reading this correctly on the PSFA ranking sheet). Our FMAR score has been slowly improving from a low of 64.693% to the following statistics:

District Name	School Name		Produ Score	ct	Mgn	Maint. Mgmt. Score		AR re	% FM Score		FMA Date
Estancia	Estancia Upper Elementary	6	90.27	74	1.63	862	2.86	86.2	86%		/10/2018 /09/2022
Estancia	Estancia High School	6	98.75	87	7.79	875	5.05	87.5	05%	06/	/10/2019
Estancia	Estancia Middle School	7	54.40	74	1.63	926	5.99	92.6	99%	06/	/08/2021
Estancia	Vanstone Elementary	6	20.24	87	7.79	708	3.03	70.8	03%	04/	10/2018
Estancia	Estancia Lower ES	4	72.80	87	7.79	560	).59	56.0	59%	04/	10/2018

As you can see, the Lower Elementary continues to drop in its rating due to the age of the facility and the large

number of projects requiring attention! It is the proverbial "money pit" for sure! MANY of the adequacy standards

are of significant concern at the Lower Elementary: from crumbling brick fascia, to a dying boiler, to innumerable

roof leaks, to an absence of natural light, to outside door frames that have settled and are no longer square causing

the doors to jam and stick; the list goes on and on. This building has surpassed it's functional life space and would

require multiple system upgrades to improve the overall condition of the building and classroom spaces.

Standards-Based Need: At this time, the district is requesting matching funds for a standards-based project,

although the PSFA and/or PSCOC committee may feel it would be more prudent to apply for a waiver to build a

new school. Our proposal is to reduce the 5,983 SF footprint of the library to 1,000 SF (which meets Adequacy

Standards), square up the corners to give us usable classroom space, and convert the remaining 4,983 SF to

generate the classrooms needed to house all students. Also of concern is the nearly 10,000 SF lost to extra wide

corridors (actual SF is 9792 SF). This makes the current 45,656 SF number somewhat inflated in light of available

classroom space.

Looking at current enrollment, we have a need for 5-8 additional classrooms, depending upon enrollment. Our

kindergarten enrollment has been holding steady around 38 - 40 students for the last 5 years (note, there was a

slight decline during Covid as a result of mask mandates). This supports 3 classrooms for kindergarten going

forward. First grade goes up and down depending upon enrollment; because kindergarten is not a state required

grade, we often get homeschooled or daycare first graders who did not attend kindergarten, bumping our first

grade number up. To meet Adequacy Standards, we need to maintain the special education classrooms (note: our

special ed population is right at 26% of our students, so it is not a small group). With only two vacant rooms

available, we are short of what we need to move our primary and PreK students up. As well, the fixtures are not

the appropriate size for PreK, and will not meet the NM PreK criteria currently in place for our 5-Star program.

Systems-Based Need: Following the rebuild/new build for the Upper Elementary, there is a need to demolish the

Lower Elementary building, which has surpassed its functional life span and is failing in many areas (as noted on

the FMAR).

Estimated Cost: The district has passed a \$5,000,000 bond to put towards this project. There are several unknowns

that will affect the cost. The building has no fire suppression system, which will be required with new

construction. The current rate of inflation has caused all building projects to be inflated. Our original hope was

for a total \$12,000,000 project; this, however, may be low. As well, a state level review of our facilities may

result in a recommendation for the construction of a new facility as opposed to a remodel project to convert

existing space to usable classrooms, which would increase the scope of work and associated costs.

**Estancia Municipal Schools Board of Education: Randol Riley** President, Keith Sandy - Vice President, Lee Widner - Secretary, <u>Funding</u>: Our current match is 49% for the district portion, and 51% for the matching funds. The district has

available bond funds of \$5,000,000 which almost covers a \$12,000,000 project. The district would have a need

for a waiver to cover costs in excess of bond funds based upon the inflation rate and if the scope of the project

increases (i.e., unforeseen costs to install a fire suppression system and any other unknowns).

As you can see by reviewing our FMAR scores, the district takes pride in maintaining and improving our facilities.

We utilized ESSER funds to address our HVAC issues (we had no central air), and have utilized PILT funds to

address our ADA issues in the gym. These projects will continue to improve our FMAR score, but will not address

our need for classrooms in one location to house all of our  $PreK-6^{th}$  grade students. It is our fervent hope that

we will be awarded the necessary funds for this project, and stand ready to meet with PSFA and PSCOC members

to discuss our needs further.

alkam Sol

Respectfully Submitted,

Cindy L. Sims, PhD

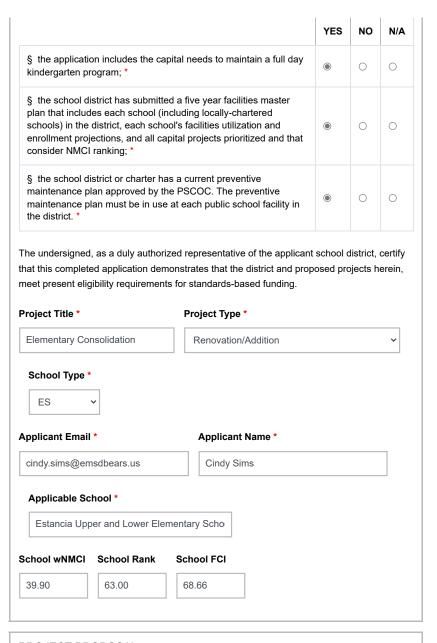

Superintendent

district has shown that the capital needs of the charter schools

are not as great as the capital needs requested in the application;

# I. <u>2023 Systems-based Capital Outlay Award – Gadsden – Santa Teresa MS, Loma Linda ES, and Sunland Park ES</u>

**II. Presenter(s):** Alyce Ramos, Programs Manager

### **III. Potential Motion:**

Council approval to a make capital outlay awards for the Systems-based capital outlay program to Gadsden Independent School District for the following:

- Santa Teresa Middle School \$354,255 state share, \$199,268 local share
- Sunland Park Elementary School \$194,490 state share, \$109,401 local share
- Loma Linda Elementary School \$129,674 state share, \$72,942 local share

Design and construction funding to complete the replacement of the Fire Alarm systems, including incidental systems directly related to the work in this award, to the total GSF of the school facility. The allocation is intended to fully complete the projects, phase or specified purposes.

# **IV.** Executive Summary:

# **District Request:**

Gadsden Independent School District submitted an application requesting a Systems-based award for Santa Teresa MS, Sunland Park ES, and Loma Linda ES replacement of the fire alarm.

### **Staff Recommendation:**

PSFA recommends making three single phase (design and construction) Systems-based awards to Gadsden Independent School District to fund replacement of the fire alarm systems, for the total GSF of the facilities, in order to mitigate further damage to the existing facilities and extend the functional life span of the facilities.

### **Key Points:**

- The three schools are eligible for Systems-based funding, as they are within the top 350.
- The fire alarms at the three schools have surpassed their functional life spans.

### **2022-2023 PSFA Summary:**

# Gadsden Independent School District - Santa Teresa Middle School

### **District Request**

#### Request

Systems-based award for Santa Teresa Middle School, to include: Fire Alarm – Replacement

#### **Eligibility**

• Rank: 18

wNMCI: 47.83%

Campus FCI: 62.60%

#### **Project Need**

• Fire Alarm - System has surpassed its function life span, system failures are becoming more frequent, the system is difficult to maintain, and the panels do not meet current codes

#### **Scope of Work**

• Fire Alarm – replace entire system and components

#### **Estimated Costs**

- Estimated costs are based on current estimates and quotes the district has obtained for this work:
- Maximum Allowable Construction Cost (MACC)
- Total = \$387,466

Total Project Cost (TPC)

• Total = \$553,523

#### **Financing**

The District has indicated that it <u>has funds</u> to accommodate the local match for this project.

	Total	Local Match 36%	State Match 64%
<b>Estimated Project Cost</b>	\$553,523	\$199,268	\$354,255

### **PSFA Recommendation**

### **Project Need**

PSFA agrees with the district's Systems-based requests for the following reasons:

- Fire Alarm eligible for all schools within the Top 350
  - System has surpassed its functional life span, and can no longer be repaired

#### **Estimated Costs**

PSFA agrees with the district's estimated costs for each system, based on discussions with the district and industry standards.

#### Recommendation

PSFA recommends a Systems-based award to Gadsden Independent School District to fund the fire alarm systems.

- PSFA recommends participation in the total project cost for the total GSF of the school facility.
- PSFA recommends a single phase Systems-based award to include design and construction.

Total Estimated Project Cost Per Application	PSFA Recommended Project Cost	Local Match %	State Match %	Offset	Phase 1 Net Local Match After Offsets	Phase 1 Net State Match After Offsets
\$553,523	\$553,523	36	64	\$0	\$199,268	\$354,255

Out-Year	Out-Year
Local Match	State Match
\$0	\$0

### **Systems-Based Eligibility Requirements**

Requirement		School Meets
• Rank	Top 350	18
• FMAR	FMAR > 70%	District - 77.05%
		School - 77. 5%
PM Plan	Must be current	Current
FIMS use	2.0 or better	Yes
• FMP	Must be current	Current
Local Match	District must have at time of award	Yes

# **Facility Description**

Original Construction Date: 1978
 Additions: 1997, 2020

• Total Gross Square Feet: 127,519

Permanent Square Feet: 122,143
Portable Square Feet: 5,376
Number of Buildings: 4
Number of Portables: 3

Site Size: 48 acres

# **Planning Summary**

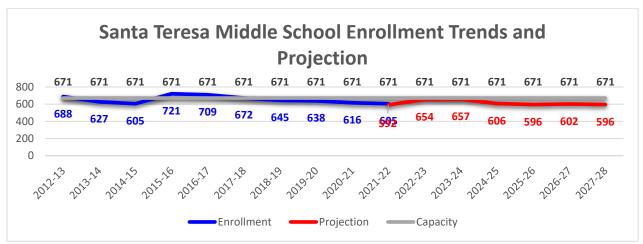

Facilities Master Plan: CurrentFMP Dates: 2021-2026

### **FMP Priority for School:**

• The FMP identifies fire suppression system improvements within the third ranked bundle of projects but the FMP recommends the district consider full replacement of the facility.

#### **Enrollment Trends and Projection:**

The following chart provides an overview of the school's enrollment trends and projection.

Source: Enrollment - PED 40-day counts; Projection and Capacity - 2021-2026 FMP

- The FMP projection year began with the 2021-22 school year, providing one year of comparison with the actual enrollment. The actual enrollment is slightly higher than the projection.
- While PSFA continues to monitor enrollment yearly, the projection appears to be accurate.

#### FMP Highlights/Issues:

- The FMP states the school lacks a fire suppression system. The FMP recommends installation of a system at an estimated cost of \$753,565.
- The following table provides an overview of the school's square footage as compared to the amount eligible per the PSFA GSF calculator.

Santa Teresa Middle School Gross	Square Foot Data
Enrollment Projection	596
Existing Permanent GSF (via FAD)	122,143
Eligible GSF based on projection	81,165
Difference between Existing and Eligible	40,978

### **Maintenance Summary**

The Gadsden Independent School District meets all statutory requirements (as of December 5, 2022)

- Preventive Maintenance Plan is current
  - o Last updated January 25, 2022 (Annual update required; 6.27.3.11 NMAC)
  - o Plan rated Outstanding, with quality and timely historical updates
- Quarterly FIMS Proficiency Reports: Satisfactory to Good user of all 3 of the State provided FIMS maintenance resources. Note: The district has historically subscribed to and provided the data driven Meaningful Maintenance Metrics (M3) report to enhance maintenance performance.
- PM Completion Rate: 70% performance rating with recognized 90% and above in previous reporting periods.
  - o Below the 90% recommendation
- Facility Maintenance Assessment Report (FMAR): district average is 77.05%
  - The district is maintaining their assets and facility conditions to a Satisfactory level
  - o Currently above the state average of 71%, with a recent 90% school performance rating

#### Santa Teresa Middle School FMAR performance rating: (January 25, 2021)

- 77.5%
- Satisfactory performance with 4 Minor and 0 Major Deficiencies

#### **Staff Recommends:**

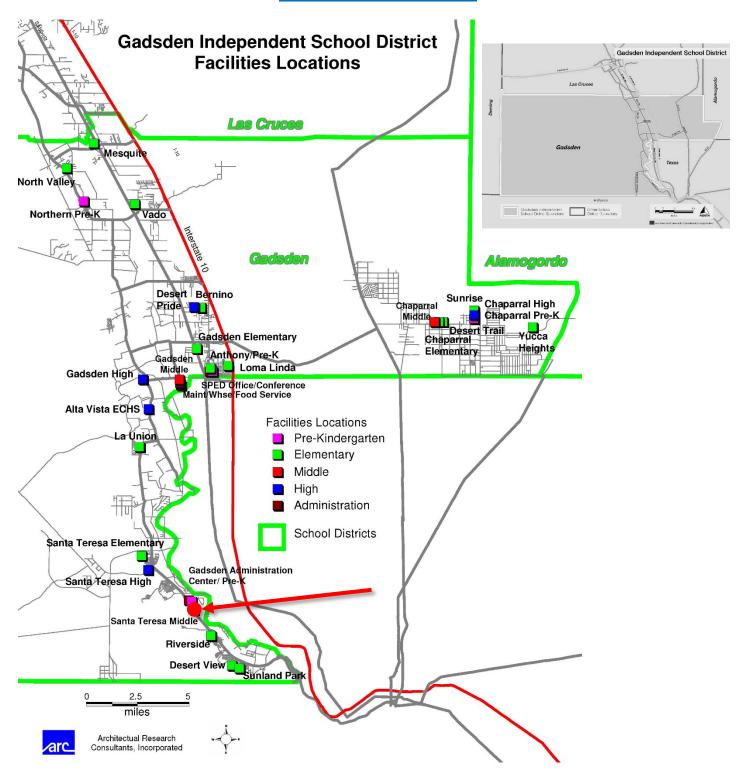

- Continue their diligence towards improved core maintenance to 80% (Good) ratings;
- Continuing their use of the FIMS tools to drive district maintenance performance and responding to subsequent FMARs through the 60-day response process supporting quality facility conditions.

### **2022-2023 PSFA Summary:**

# Gadsden Independent School District - Loma Linda Elementary School

### **District Request**

#### Request

- Systems-based award for Loma Linda Elementary School, to include:
  - o Fire Alarm Replacement

#### Eligibility

• Rank: 61

wNMCI: 40.52%

Campus FCI: 59.90%

### **Project Need**

• Fire Alarm - System has surpassed its function life span, system failures are becoming more frequent, the system is difficult to maintain, and the panels do not meet current codes

#### Scope of Work

Fire Alarm – replace entire system and components

#### **Estimated Costs**

- Estimated costs are based on current estimates and quotes the district has obtained for this work:
- Maximum Allowable Construction Cost (MACC)
- Total = \$141,831

Total Project Cost (TPC)

• Total = \$202,616

#### **Financing**

The District has indicated that it has funds to accommodate the local match for this project.

	Total	Local Match 36%	State Match 64%
Estimated Project Cost	\$202,616	\$72,942	\$129,674

# **PSFA Recommendation**

#### **Project Need**

PSFA agrees with the district's Systems-based requests for the following reasons:

- Fire Alarm eligible for all schools within the Top 350
  - o System has surpassed its functional life span, and can no longer be repaired

#### **Estimated Costs**

PSFA agrees with the district's estimated costs, based on discussions with the district and industry standards.

#### Recommendation

PSFA recommends a Systems-based award to Gadsden Independent School District to fund the replacement of the fire alarm system for the life, health, and safety to the occupants.

- PSFA recommends participation in the total project cost for the total GSF of the school facility.
- PSFA recommends a single phase Systems-based award to include design and construction.

Total Estimated Project Cost Per Application	PSFA Recommended Project Cost	ed   Match   Match	Offset	Phase 1 Net Local Match After Offsets	Phase 1 Net State Match After Offsets	
\$202,616	\$202,616	36	64	\$0	\$72,942	\$129,674

PM Plan	Must be current	Current
• FIMS use	2.0 or better	Yes
• FMP	Must be current	Current
Local Match	District must have at time of award	Yes

### **Facility Description**

Original Construction Date: 1995

• Total Gross Square Feet: 59,470

Permanent Square Feet: 53,634
Portable Square Feet: 5,836
Number of Buildings: 1
Number of Portables: 4

Site Size: 20 acres

# **Planning Summary**

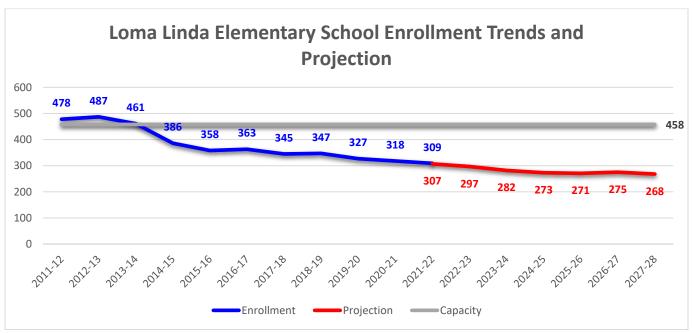

Facilities Master Plan: CurrentFMP Dates: 2021-2026

### **FMP Priority for School**:

• The FMP does not identify fire systems as a need for the school. It does suggest the district study potential replacement due to its FAD rank and wNMCI.

#### **Enrollment Trends and Projection:**

The following chart provides an overview of the school's enrollment trends and projection.

Source: Enrollment – PED 40-day counts; Projection and Capacity – 2021-2026 FMP

**FMP Highlights/Issues:** 

- Despite recommending the district study the possibility of replacement, the FMP does not provide compelling evidence on building condition.
- The following table provides an overview of the school's square footage as compared to the amount eligible per the PSFA GSF calculator.

Sunland Park Elementary School Gros	ss Square Foot Data
Enrollment Projection	268
Existing Permanent GSF (via FAD)	53,634
Eligible GSF based on projection	37,131
Difference between Existing and Eligible	16,503

#### **Maintenance Summary**

The Gadsden Independent School District meets all statutory requirements (as of December 5, 2022)

- Preventive Maintenance Plan is current
  - o Last updated January 25, 2022 (Annual update required; 6.27.3.11 NMAC)
  - o Plan rated Outstanding, with quality and timely historical updates
- Quarterly FIMS Proficiency Reports: Satisfactory to Good user of all 3 of the State provided FIMS maintenance resources. Note: The district has historically subscribed to and provided the data driven Meaningful Maintenance Metrics (M3) report to enhance maintenance performance.
- PM Completion Rate: 70% performance rating with recognized 90% and above in previous reporting periods.
  - o Below the 90% recommendation
- Facility Maintenance Assessment Report (FMAR): district average is 77.05%
  - The district is maintaining their assets and facility conditions to a Satisfactory level
  - o Currently above the state average of 71%, with a recent 90% school performance rating

#### Loma Linda Elementary School FMAR performance rating: (April 4, 2022)

- 90.792%
- Outstanding performance with 0 Minor and 0 Major Deficiencies

#### **Staff Recommends:**

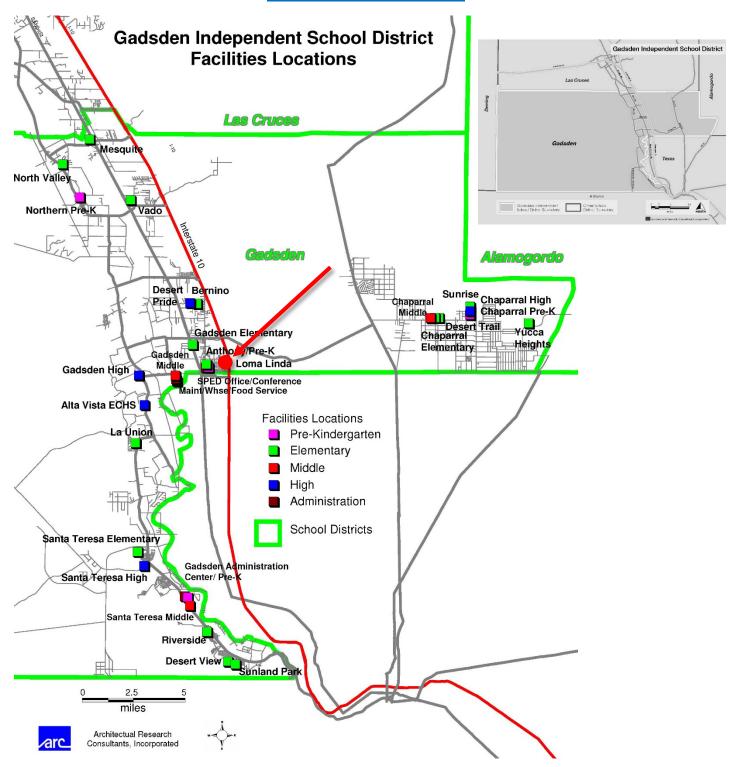

- Continue their diligence towards improved core maintenance to 80% (Good) ratings;
- Continuing their use of the FIMS tools to drive district maintenance performance and responding to subsequent FMARs through the 60-day response process supporting quality facility conditions.

Travis Dempsey
Superintendent

Gadsden I.S.D. 4950 McNutt Road Sunland Park, New Mexico

> P.O. Drawer 70 Anthony, N.M. 88021 Phone: (575) 882-6274

Dear Public School Capital Outlay Council,

Gadsden ISD is applying for PSCOC system-based funding for Santa Teresa Middle School. Sunland Park Elementary, and Loma Linda Elementary for replacement of outdated fire alarm/detection systems.

#### **Eligibility:**

#### 2022 - 2023 Final wNMCI Ranking

Rank	School	wNMCI	<b>FMAR</b>
18	Santa Teresa MS	47.83%	77.5
295	Sunland Park ES	25.01%	69.53
61	Loma Linda ES	40.52%	82.15

#### **Application Request and Project Scope:**

Gadsden ISD is requesting system-based funding because the existing systems age based on system-age. The original fire panels were installed in 2005. The Notifier NFS-640 panels end-of-life are rated at 15 years and these schools all exceed that time. Systems failures are becoming more frequent and harder to maintain. None of the existing panels are up to current code which should include voice evacuation. While Santa Teresa Middle School gym locker room is newer, it will also have to be brought up to code with the school system.

#### **Estimated Costs:**

Current project costs as proposed by Honeywell International, a CES vendor for Public Safety and Security Fire Equipment and Alarm Systems (Contract #19-012N-S101-ALL):

- Santa Teresa Middle School \$387,466
- Sunland Park Elementary \$212,724
- Loma Linda \$141,831
- Total Cost: \$742,021

#### **Funding:**

Gadsden ISD's local match is 36% with no direct appropriation offset. The district does have the funding to support the application request, approximately \$267,128.

Sincerely

Sam Snoddy

Director of Technology

Gadsden Independent School District

#### **Full Application - Systems-Based**

Note: Small Project (Systems-Based) Applications are on a building-by-building basis. Please complete the application for each building listed within the Facility Assessment Database (FAD), including site, for which desired system repair, renovation, or replacement is desired. Project must be completed and expended within 3 years of the allocation.

Demolition projects: Abandoned district owned facilities will be considered, regardless of the wNMCI score, rank, FCI score, or building type. FAD data may not apply. Additional application requirements apply (see Information Sheet). Projects must be completed within 1 year of the allocation.

# **General District Information**

### **Application Details:**

The purpose of the Public School Capital Outlay Act is to ensure that, through a standards-based process for all school districts, the physical condition and capacity, educational suitability and technology infrastructure of all public school facilities in New Mexico meet an adequate level statewide and the design, construction and maintenance of school sites and facilities encourage, promote and maximize safe, functional and durable learning environments in order for the state to meet its educational responsibilities and for New Mexico's students to have the opportunity to achieve success.

New Mexico state law provides that the Public School Capital Outlay Council (PSCOC) may approve applications for the capital expenditure of funds deemed by the council necessary for an adequate educational program. Such applications shall demonstrate that:	The district certifies that this complete application will demonstrate that it meets this
§ a need exists based upon Public School Adequacy Standards and is included in the district's five-year facilities plan among its top priorities;	Yes
§ the residents of the district have provided or are willing to authorize available resources to meet the district's or charter's capital outlay match requirements;	Yes
§ the district has used its resources in a prudent manner;	Yes
§ the school district has provided insurance for buildings of the school district in accordance with the provisions of Section 13-5-3 NMSA 1978;	Yes
§ the application includes the capital needs of any locally-chartered school(s) located in the school district, or the school district has shown that the capital needs of the charter schools are not as great as the capital needs	N/A
§ the application includes the capital needs to maintain a full day kindergarten program;	Yes
§ the school district has submitted a five year facilities master plan that includes each school (including locally-chartered schools) in the district, each school's facilities utilization and enrollment projections, and all capital	Yes
§ the school district or charter has a current preventive maintenance plan approved by the PSCOC. The preventive maintenance plan must be in use at each public school facility in the district.	Yes

# I. S22-004 Floyd – Floyd (Combined) – Construction Funding Request

**II. Presenter(s):** Martica Casias, Executive Director

Ryan Parks, Deputy Director

#### **III. Potential Motion:**

Council approval to amend the current Systems-based award to Floyd Municipal Schools (FMS) for the Combined School to include construction phase funding for the replacement of 30 packaged heating and cooling rooftop units up to the maximum allowable gross square footage of 40,502 GSF, with an increase in the state match (86%) for \$518,595 and a corresponding local match (14%) of \$84,422, totaling \$603,017.

# **IV.** Executive Summary:

### **District Request:**

FMS requests approval of the motion.

# **Staff Recommendation:**

Staff recommends approval of the motion.

#### **Key Points:**

- The district has selected a contractor for the HVAC replacement at a cost of \$367,256.
  - o The Contractor's bid is \$235,761 less than the out-year state and local match.
  - o The state-local match based on the contractor's bid is \$315,840 (86%) and \$51,416 (14%).
- District has requested the entire out-year state and local match that totals \$603,017. For the purposes of having a contingency, in the event there are unforeseen conditions or increases in cost or material delays.
- The Design Professional estimated that the HVAC replacement work would cost approximately \$854,750.

Funding Summary - Floyd Combine	ed School	<b>State Match</b>	<b>Local Match</b>
	Total	86%	14%
Out-Year Funding - Requested Funding	\$ 603,017	\$ 518,595	\$ 84,422
General Contractor's Cost	\$ 367,256	\$ 315,840	\$ 51,416
Contingency	\$ 235,761	\$ 202,755	\$ 33,006

# SUPPLEMENTAL MATERIAL

S22-004 Floyd – Floyd (Combined) – Construction Funding Request

# **Background:**

In July 2021, Floyd Municipal Schools was awarded Design Phase funding totaled \$67,002, with a state match of \$50,622 (75.55%) and a local match of \$16,380 (24.45%) after the districts direct legislative appropriation offset balance of \$7,000 was applied. Estimated out-year construction funding totaled \$603,017.

GSF Analysis - Floyd Combined School	
Existing	71,875
GSF Not Eligible and Funded at 100% Local Cost	31,373
Maximum Allowable GSF per Award Language	40,502

# **History:**

**July 12, 2021:** Design funding to complete evaluation of existing heating and cooling equipment and replacement of Rooftop units limited to 40,502 GSF. Systems eligible for state funding are limited to: Rooftop heating and cooling units, above educational spaces as identified in the district's application. Upon completion of the design phase, the district may return to the PSCOC for the next out-of-cycle funding phase to include an update to the total estimated project cost. Costs for any work that may be required for other associated building systems will be the sole responsibility of the district.

Dear Martica Casias;

This letter is written to formally request the approval/release of the Construction Funds for our HVAC Project. We have completed the Design Phase and have accepted proposals for the purchase and installation of the HVAC Units.

To the best of my knowledge, we have uploaded all documents into eBuilder for review and transparency.

If you have any questions, please contact me and I would be happy to provide a response.

Thank you

ny Jaman Tarr

#### **Job Order Contract**

#### **Price Proposal Summary - CSI**

 Date:
 November 09, 2022

 Contract Number:
 2020-08B-G1104-56

**Job Order Number:** 231007-2.00

Job Order Title: Floyd Schools-Replace 30 Rooftop Package Units

Contractor: WT Denton Mechanical

**Proposal Value:** \$367,256.03

Proposal Name: Floyd Schools-Replace 30 Rooftop Package Units

**Detailed Scope:** This proposal based off of latest drawings dated 11/01/2022. Including revisions 1&2

Demo and haul off of 30 packaged rooftop units. Provide and install 30 packaged rooftop units. 6 3-ton, 17 4-ton and 7 5-ton. 28 will be gas electric while 2 will be heat pumps. All units will be 208-230/3/60 and will have temp economizers with barometric relief, merv 13 filters, louvered hail guards, and WIFI programable thermostats. Units 9,10,11 and 12 will also require adapter curbs. All units will connect to existing supply and return duct. All units will have new 3/4" type m copper condensate piping ran off roof per state code. All but two units (9 & piping) will connect to existing gas piping with new isolation valves, dirt legs and flexible connections. Disconnect existing rooftop package units. Reconnect new rooftop units per plan. Refuse per manufacturer recommendations. Disconnect and replace existing receptacle and in use covers. Forklift

Rental. Crane for setting units. Mobilization to and from Clovis. State Permits.

# I. 2022 BDCP Cat2 Awards (Network Equipment)

II. Presenter(s): Ovidiu Viorica, Broadband & Technology Program Manager

#### **III. Potential Motion:**

Council approval to make Broadband Deficiencies Correction Program (BDCP) awards of actual E-rate-approved project amounts to provide the state match for application funding year 2022 for Category 2 (Network Equipment) to five schools/districts for a total of \$13,771.37 up to the amounts listed in Column O of the award spreadsheet attached as Exhibit A.

# **IV.** Executive Summary:

# **Request:**

PSCOC to make state share new awards to five schools/districts who received their funding commitment decision letter (FCDL) from the E-rate program.

### **Staff Recommendation:**

Fund state share to assist schools complete upgrades to their network equipment.

### **Key Points:**

- The PSCOC awards totaling ~\$14K will assist schools in providing network equipment upgrades of ~\$340K.
- It is expected to have between fifty and sixty-six Cat2 projects in the 2022 Erate cycle.

# **Exhibit(s):**

A – 2022 Category2 Equipment – January 2023

January 9, 2023 Item No. IV.F.

# I. Recertification of SSTBs

II. Presenter(s): Brad Mathews, Chief Financial Officer

#### **III. Potential Motion:**

Council approval for the adoption of the Resolution, Notification, and Certification and Reconciliation of unexpended bond proceeds as follows:

- SSTB18SD 0001 in the amount of \$2,405,162 for PSCOC awarded projects.
- SSTB19SD 0004 in the amount of \$25,090,939 for PSCOC awarded and funded projects.
- SSTB20SD 0002 in the amount of \$4,114,284 for PSCOC awarded projects.
- SSTB21SB 0001 in the amount of \$16,928,596 for PSCOC awarded projects.
- SSTB21SD 0001 in the amount of \$259,105 for PSCOC funded projects.

Delegate authority to the PSCOC Chair to approve any changes to the resolutions and recertifications that may be required upon review by the State Board of Finance.

# **IV.** Executive Summary:

### **Staff Recommendation:**

Adopt the resolutions.

#### **Key Points:**

The following recertifications of SSTBs are based on adjustments and awards.

- SSTB18SD 0001 in the amount of \$2,405,162 for the following PSCOC awarded projects.
  - o \$481,964 Magdalena Combined Additional funding awarded in December 2021 but was never certified.
  - o \$354,255 Gadsden Santa Teresa MS
  - o \$194,491 Gadsden Sunland Park ES
  - o \$129,674 Gadsden Loma Linda ES
  - \$662,256 Estancia Estancia Estancia ES
  - o \$582,522 FY24 FMP estimated awards
- SSTB19SD 0004 in the amount of \$25,090,939 for the following PSCOC awarded and funded projects.
  - o \$2,090,939 Pojoaque Pojoaque MS
  - o \$23,000,000 FY24 Lease Assistance estimate

- SSTB20SD 0002 in the amount of \$4,114,284 for the following PSCOC awarded projects.
  - o \$4,114,284 Gallup Rocky View/Red Rock ES request for additional funding
- SSTB21SB 0001 in the amount of \$16,728,596 for the following PSCOC awarded projects.
  - o \$694,463 Gadsden MS out of cycle award request
  - o \$534,133 Gadsden Chaparral MS out of cycle award request
  - o \$15,700,000 School Buses PED
- SSTB21SD 0001 in the amount of \$259,105 for the following PSCOC funded projects.
  - o \$184,716 FY23 FMP adjustment
  - o \$74,389To true up to HB119 allocations

# STATE OF NEW MEXICO Public School Capital Outlay Council

#### RESOLUTION, NOTIFICATION AND CERTIFICATION

WHEREAS, money from the proceeds of severance tax bonds and supplemental severance tax bonds ("Bonds") authorized pursuant to Sections 7-27-12.2 NMSA 1978 (the "Act"), is needed for the purpose of carrying out the provisions of the Public School Capital Outlay Act;

WHEREAS, the State Secretary of Public Education has certified that proceeds from the sale of the Bonds is necessary to make the distributions in the current fiscal year pursuant to Section 22-25-9 NMSA 1978 for the purpose of carrying out the provisions of the Public School Capital Improvements Act;

WHEREAS, money from the proceeds of the sale of the Bonds authorized in the Act is needed to make awards and expenditures pursuant to Section 22-24-4 & 22-24-5 NMSA 1978 for capital project grant assistance, lease payment assistance and related uses pursuant to the Public School Capital Outlay Act and;

WHEREAS, at its meeting on January 9, 2023, the Council adopted the resolution and certification set forth below:

#### NOW, THEREFORE, BE IT RESOLVED AND CERTIFIED THAT:

- 1. The Council certifies that twenty thousand dollars (\$20,000) from the proceeds of Supplemental Severance Tax Note SSTB18SD 0001 are no longer needed for the projects for which they were issued
- 2. Exhibit A to the Resolution, Notification and Certification dated December 18, 2018 is amended to reauthorize two million four hundred five thousand one hundred sixty two dollars (\$2,405,162) for the following projects per the attached SSTB18SD 0001 Reconciliation Worksheet:

a.	P19-004 Magdalena Combined	\$ 481,964
b.	S23 Gadsden – Santa Teresa MS	\$ 354,255
c.	S23 Gadsden – Sunland Park ES	\$ 194,491
d.	S23 Gadsden – Loma Linda ES	\$ 129,674
e.	P23 Estancia – Estancia ES	\$ 662,256
f.	FY24 – FMP estimated awards	\$ 582,522

3. Twenty three thousand seven hundred one dollar (\$23,701) constituting the unexpended balance of the bond proceeds shall remain available to be reauthorized for future projects.

# STATE OF NEW MEXICO Public School Capital Outlay Council

#### RESOLUTION, NOTIFICATION AND CERTIFICATION

WHEREAS, money from the proceeds of severance tax bonds and supplemental severance tax bonds ("Bonds") authorized pursuant to Sections 7-27-12.2 NMSA 1978 (the "Act"), is needed for the purpose of carrying out the provisions of the Public School Capital Outlay Act;

WHEREAS, the State Secretary of Public Education has certified that proceeds from the sale of the Bonds is necessary to make the distributions in the current fiscal year pursuant to Section 22-25-9 NMSA 1978 for the purpose of carrying out the provisions of the Public School Capital Improvements Act;

WHEREAS, money from the proceeds of the sale of the Bonds authorized in the Act is needed to make awards and expenditures pursuant to Section 22-24-4 & 22-24-5 NMSA 1978 for capital project grant assistance, lease payment assistance and related uses pursuant to the Public School Capital Outlay Act and;

WHEREAS, at its meeting on January 9, 2023, the Council adopted the resolution and certification set forth below:

#### NOW, THEREFORE, BE IT RESOLVED AND CERTIFIED THAT:

1. Exhibit A to the Resolution, Notification and Certification dated December 13, 2021 is amended to reauthorize two hundred fifty nine thousand one hundred five dollars (\$259,105) per the attached SSTB21SD 0001 Reconciliation worksheet for the following projects:

a. FY23 FMP adjustment \$184,716.00b. To true up to HB119 allocations \$74,389.00

2. Fifty two million three hundred twenty three thousand six hundred twenty four dollars (\$52,323,624) remains unexpended.

Dated: January 9, 2023

### STATE OF NEW MEXICO Public School Capital Outlay Council

#### RESOLUTION, NOTIFICATION AND CERTIFICATION

WHEREAS, money from the proceeds of severance tax bonds and supplemental severance tax bonds ("Bonds") authorized pursuant to Sections 7-27-12.2 NMSA 1978 (the "Act"), is needed for the purpose of carrying out the provisions of the Public School Capital Outlay Act;

WHEREAS, the State Secretary of Public Education has certified that proceeds from the sale of the Bonds is necessary to make the distributions in the current fiscal year pursuant to Section 22-25-9 NMSA 1978 for the purpose of carrying out the provisions of the Public School Capital Improvements Act;

WHEREAS, money from the proceeds of the sale of the Bonds authorized in the Act is needed to make awards and expenditures pursuant to Section 22-24-4 & 22-24-5 NMSA 1978 for capital project grant assistance, lease payment assistance and related uses pursuant to the Public School Capital Outlay Act;

WHEREAS, money from the proceeds of the sale of the Bonds authorized in the Act is needed to meet the special and direct appropriations from the Public School Capital Outlay Fund to various entities that have been approved by the Council pursuant to Laws 2014, Chapters 28; and

WHEREAS, at its meeting on November 21, 2022, the Council adopted the resolution and certification set forth below:

#### NOW, THEREFORE, BE IT RESOLVED AND CERTIFIED THAT:

- 1. The Board is hereby requested and instructed to issue and sell Bonds in the total amount of three hundred thirty nine million two hundred thousand (\$339,200,000) for the purposes set forth in Paragraphs 1 through 6.
- 2. All conditions, contingencies and limitations imposed by law with respect to the certification of the need for the Bonds to finance the projects and the expenditure of funds with respect hereto, if any, have been satisfied.

Dated: November 21, 2022

PUBLIC SCHOOL CAPITAL OUTLAY COUNCIL

By:

Joe Guillen, Chair, PSCOC

January 9, 2023 Item No. IV.H.

## I. <u>E-rate Central Agreement</u>

**II. Presenter(s):** Martica Casias, Executive Director

### **III. Potential Motion:**

Council approval to make a Broadband Deficiencies Correction Program (BDCP) award Not To Exceed \$202,560.31, plus applicable New Mexico gross receipts tax, to renew the statewide agreement to provide E-rate assistance to all New Mexico public schools, to the Broadband Deficiencies Correction Program, and to the State E-rate coordinator in order to maximize the amount of federal funding New Mexico public schools receive from the E-rate program.

### **IV.** Executive Summary:

## **Staff Recommendation:**

Approve the motion.

### **Key Points:**

The PSFA would like to request approval from the Council for funding to renew the annual state contract for E-rate Central, the consultant providing E-rate assistance to all the public schools who need it.

E-rate Central was the vendor selected through a Request For Proposal (RFP) process. This is the third out of three optional annual renewals.

The E-rate support is essential for the success of the Broadband Deficiencies Correction Program. It is also essential for the success of the Statewide Education Network effort.

The continuous specialized support through the application, E-rate review and often appeal processes over multiple years resulted in successful outcomes for many projects.

This specialized support is also necessary for the Consortium approach, including the Statewide Education Network, where participating schools are connected together for better reliability and security, increasing broadband access and reducing costs.

This annual renewal is supported by partner agencies (PED and OBAE).

January 9, 2023 Item No. IV.I.

## I. 2023 wNMCI Final Ranking Approval

II. Presenter(s): Martica Casias, Executive Director

### **III. Potential Motion:**

Council approval to release the 2023 Final wNMCI ranking for the calendar year 2023 award cycle based on criteria and weights previously adopted by the Council.

## IV. Executive Summary:

### **Staff Recommendation:**

Release of the 2023 Final wNMCI ranking for the calendar year 2023 award cycle based on criteria and weights previously adopted by the Council.

## **Key Points:**

- Final wNMCI Ranking, Statewide Average = 24.20%
- Final Statewide FCI Average = 54.84%

## SUPPLEMENTAL MATERIAL

### 2023 wNMCI Final Ranking Approval

### **Background:**

Prior to the Final Ranking, the Preliminary Ranking was sent to districts for review and edit of their facility data. The Preliminary Ranking was available to districts from October 12, 2022 to December 12, 2022.

Districts have the ability, year-round to make changes to their facility data. Each district has their own log-on access their facility data through the PSFA Facilities Assessment Database (PSFA.FAD).

PSFA.FAD is updated year-round in the following manner:

- Construction documents
- Facility Master Plan Vendors
- School Districts
- PSFA Assessors

#### **Exhibits:**

Schools with "XX-XX-XX" rankings are projects that have received an award through a previous standards or systems-based award. The rank is formatted by award year followed by the rank from that award cycle.

Upon PEC or District renewal of the charter, these schools will be measured, evaluated and prioritized in the above list and elgible for grants under the standards-based capital outlay process funding.

\*Recently completed projects that need to be reassessed to calulate an accurate wNMCI.

<sup>\*\*</sup>Charter Schools in privately owned facilities are not eligible for PSCOC capital outlay funding, and are therefore not ranked in the body of this list.

Schools with "XX-XX-XX" rankings are projects that have received an award through a previous standards or systems-based award. The rank is formatted by award year followed by the rank from that award cycle.

Upon PEC or District renewal of the charter, these schools will be measured, evaluated and prioritized in the above list and elgible for grants under the standards-based capital outlay process funding.

\*Recently completed projects that need to be reassessed to calulate an accurate wNMCI.

\*\*Charter Schools in privately owned facilities are not eligible for PSCOC capital outlay funding, and are therefore not ranked in the body of this list.

Schools with "XX-XX-XX" rankings are projects that have received an award through a previous standards or systems-based award. The rank is formatted by award year followed by the rank from that award cycle.

Upon PEC or District renewal of the charter, these schools will be measured, evaluated and prioritized in the above list and elgible for grants under the standards-based capital outlay process funding.

\*Recently completed projects that need to be reassessed to calulate an accurate wNMCI.

\*\*Charter Schools in privately owned facilities are not eligible for PSCOC capital outlay funding, and are therefore not ranked in the body of this list.

# V. Awards Cycle

- A. Pre-Applications Received
- B. 2023 Capital Funding Pool and Application Announcement Letter\*
- C. 2023 Standards-based Capital Outlay Award Pojoaque Pojoaque MS\*

# I. <u>Pre-Applications Received</u>

**II. Presenter(s):** Alyce Ramos, Programs Manager

# **III.** Executive Summary (Informational):

# **Key Points:**

New Pre-Applications received as of November 04, 2022:

- Standards-based:
  - o Bernalillo Algodones Elementary School (ranked #192, FCI greater than 70%)
    - Expected to rise significantly in the 2023 final ranking
  - o Cobre Cobre High School (ranked #84)
- Systems-based:
  - Deming Columbus Elementary School HVAC (ranked #567, FAD category override for HVAC system)
  - Deming Memorial Elementary School Roofing (ranked #448, FAD category override for roofing system)
  - o Gadsden Old Anthony Elementary School Alamo Building

# **Background:**

- The 2022-2023 Weighted New Mexico Facility Index (wNMCI) Ranking and Capital Funding Applications were released on January 11, 2022.
  - o The 2023 Weighted New Mexico Facility Index (wNMCI) Ranking and Capital Funding Applications will be released January 10, 2023.
- The applications remained open throughout 2022, allowing districts to apply at any time.

# 2022 Eligibility:

- The eligibility is defined for each program as follows:
  - o Standards-based: Top 150, or campus Facility Index Condition (FCI) greater than 70%.
  - o Systems-based: Top 350, campus FCI greater than 70%, or systems identified as Category 1, 2, or 3 in the Facilities Assessment Database (FAD).
    - Demolition: abandoned facilities.
  - o Pre-kindergarten: All school facilities.
  - o Pilot Teacher Housing: No available housing within 10 miles from the school(s) requested housing will serve.
- Applicant schools' eligibility is determined by ranking at the time the school applies for an award.

# 2023 Awards Schedule:

• To be determined.

11/4/2022

Mr. Joe Guillen - Chair New Mexico Public School Capital Outlay Council 1312 Basehart SE # 200 Albuquerque, NM 87106

RE: Intent to Submit a 2023 Standards-based Application

Dear Mr. Guillen,

I am writing this letter on behalf of the Bernalillo Public School District to deliver our intent to apply for standards-based capital funding for Algodones Elementary School.

Currently, Algodones Elementary School is ranked 180 in the 2023-preliminary ranking with a Campus Facility Condition Index of 78.93%. Based on this and the guidance published on the PSFA website the school is eligible for standards-based funding. This preliminary ranking found on the PSFA website is dated September 15, 2022, fifteen days before the due date for submitting updated information. The district submitted considerable information by the submittal deadline of September 30, 2022, and it is unclear if this data was included in calculating the preliminary ranking.

Algodones Elementary School was originally built in 1990 and shortly thereafter required additional space. In 1995 a double portable classroom was installed and in 2011 a kindergarten addition was made. In its present state, the school is not of sufficient size to accommodate the number of students residing within its boundaries and needs renovation and additions to do so. The district intends to conduct an assessment of the overall site to ensure that sufficient space is available for construction all the while meeting adequacy for playfields and playgrounds. Space and structure permitting, the district intends to renovate the facility to create learning spaces that will support the school's education program including enhanced programs focused on meeting the specific needs of at-risk students. The district also intends on constructing additional space to accommodate the population of the school boundaries. Although a K-5 elementary school, fifth grade students are bussed to other schools in the district because of the lack of space. This is not an effective way to improve learning opportunities for students.

Board of Education

Paul Madrid Cordy Chavez Mike Archibeque Christine Suina John Gurule

560 S. Camino del Pueblo Bernalillo, NM 87004 505-867-2317 www.bernalillo-schools.org

Bernalillo Public Schools reported 40-day enrollment for the 2022-2023 school year at Algodones Elementary of 192, which does not include any fifth graders as noted above. Based on the number of fifth graders residing in the school attendance zone currently being bussed to other schools it is anticipated that a fifth grade class at Algodones Elementary would include about 39 additional students or a total of 231 students. It is important to note that the FAD currently reflects an enrollment of 139 students. This is based on last year's counts which should be considered a Covid impacted year as the Native American pueblos that feed Algodones Elementary chose to keep their students on remote learning. This year, because of students physically returning to school there are at least 53 more students attending the school in grades PreK through 4<sup>th</sup> grade. This is a unique situation, but consideration should be given to members of the cohort that did not attend last year because of Covid restrictions on Native American land in the expected enrollment and by extension the ranked list by wNMCI.

Almost 83 percent of the population of Algodones Elementary School are considered low-income, very low-income, or extremely low-income with almost all students considered to be at-risk. The majority of students come from rural communities including San Felipe Pueblo. Given these demographics, the school was eligible in the 2022-2023 school year for additional funding from the Family Income Index appropriation and is subject to considerable scrutiny because of the ongoing Martinez-Yazzie litigation. Improving opportunities for the students of Algodones Elementary is apriority for the district.

Additionally, the school is not well laid out to meet the needs of its current enrollment and does not provide for a secure campus. The campus was originally built and added on to at a time when campus and building security was not a priority consideration. The site contains far too many exterior doors and nooks and crannies for anyone with nefarious intent to gain access and hide from staff. It is estimated that a renovation and addition project at Algodones Elementary School to provide sufficient space for its population and instructional program would cost approximately \$5.6 million. This was determined using a cost of \$295/ft<sup>2</sup> for a 6,500ft<sup>2</sup> addition, \$88.5/ft<sup>2</sup> for a moderate remodel of the 25,848 existing foot print and soft costs of 33.25%.

For 2023, the local-state match is 91% local share and 9% state share. When compared to the 2020 local-state match of 67% local share and 33% state share the increase is difficult to understand. The Bernalillo school district is not a wealthy school district and such a significant increase in the local

**Board of Education**

560 S. Camino del Pueblo Bernalillo, NM 87004 505-867-2317 www.bernalillo-schools.org

share will be difficult for the district to bear. The district does have sufficient funds on hand to meet its previous share of 67% but expects to ask for the Council to waive the difference between the 2020 and the 2023 amounts.

Thank you in advance for accepting this letter of intent, we will move forward with our application within the appropriate timeframe and ask for favorable consideration from the Council.

Best Regards,

Matthew Montaño Superintendent

Mr. Joe Guillen Chair New Mexico Public School Capital Outlay Council 1312 Basehart SE# 200 Albuquerque, NM 87106

RE: Intent to Submit a 2023 Standards-based Application Dear Mr.

Guillen.

I am writing this letter on behalf of the Cobre Consolidated School District to deliver our intent to apply for standards-based capital funding for Cobre High School.

Currently, Cobre High School is ranked 83' 2023-2024 preliminary ranking and has a Campus Facility Condition Index of 75.41%. The school, originally built in 1956 with additions in 1974, and the mid '90s has now reached the end of its useful life. The building is in poor shape, not well laid out to meet the needs of its current enrollment and does not provide for a secure campus. The campus was originally built and added on to at a time when campus and building security was not a priority consideration. The site contains far too many exterior doors and nooks and crannies for anyone with nefarious intent to gain access and hide from staff.

It is the intent of the district to build a facility that is right sized for the current enrollment trends identified in our five-year facilities master plan, to demolish unneeded and unused buildings and to ensure our students have a facility that will enhance learning and student success. The new school will be built at its current location using the main gymnasium and the performing arts center as the main anchor points. The estimated cost of the project is projected to be approximately \$30,000,000. This number tries to account for the current volatility in the construction industry and the rural location of our district.

As a community, we cannot afford to wait any longer to build new facilities. As such, we anticipate bonding to practical capacity in November of 2023 raising approximately \$2,000,000 and again in 2025 for an additional \$2,000,000. As you can see, these amounts will not be sufficient to meet the district's 83% local share of the project with the state contributing 17%. Of interest is that in the last two years the district share of standard-based projects has increased from 64% to 83% in a time when the district's tax valuation is dropping. Because of this issue and the fact that this building is desperately needed, we are requesting a waiver of the local match. We desperately need to have this building replaced and this will be the only way the this can be accomplished.

Thank you in advance for your consideration of this request. We look forward to presenting to the council and answering any questions.

Best

# **DEMING PUBLIC SCHOOLS**

"Growing Champions, Every Student, Every Day!"

Vicki K. Chávez, Superintendent Robin Parnell, Deputy Superintendent

Lesley Doyle, Chief Finance Officer Fred Parker, Chief Academic Officer Denise Ruttle, Chief Human Resources Officer

Dear Public School Capital Outlay Council,

The Deming Public School District is applying for the Systems Based funding program to address HVAC and Roofing concerns at two school sites within the Deming Public School District.

The Columbus Elementary School located near the Mexico border currently addresses educational needs for approximately five hundred plus students. Over the last eighteen months we have been working diligently to keep our Heating, Ventilation, and Air Conditioning (HVAC) system in operation. Our maintenance team has devoted hundreds of hours (1 hour round trip to Columbus from Deming) traveling to the site, troubleshooting the system, emptying in-line water filters that are full of debris and rust, and contracting services to mitigate the water concerns within the geothermal system. We are deeply concerned that the current HVAC system will fail at any time.

The current HVAC system addresses all the heating and cooling needs for the Columbus Elementary school site. The HVAC system is a geo-thermal (ground source/heat pump) system that was installed in 2009 when the school was constructed. The HVAC system is degraded due to its age, use, and poor water quality in the community, and should the system fail, the entire school would be without Heating or Cooling services. We have shut down one of the geothermal loops due to it leaking, and the system is functionally working, but should another leak present itself, the entire system would be compromised. We are currently working on a contingency plan should the HVAC system fail, and where we could best address the educational needs of the 500 plus students. Due to the ongoing problems, we are currently investigating a system replacement that could possibly use some of the existing equipment/infrastructure, but moving away from the geothermal system. The current square footage of the Columbus Elementary school site is 74,258 GSF as listed in the FAD.

The other high priority systems project is at Memorial Elementary School and it currently addresses educational needs for approximately 350 students – PreK-5. Over the past several months we have been working diligently to eliminate water leaks and water infiltration at that site. The current TPO system was installed in 2005 and is degraded due to its age and use and has surpassed its functional life span and is failing in multiple locations.

The current roofing system's warranty expired in 2020, and although we are addressing leaks as they are encountered, we are continuously encountering new leaks. The gross square footage of the roof is approximately 37,280 as listed in the FAD. The District anticipates an entire roof removal to the decking, with a replacement of an 80mil TPO.

The current estimated cost as of October 2022 for HVAC replacement was \$9,000/ton. The roofing replacement cost as of October 2022 was \$2,000 per square – a "square" being 10' x 10' or one hundred square feet.

The current District's local match percentage is 44% with no direct appropriation offset. The District does currently have funding to support the local match for the application request.

Thank you for your consideration and we look forward to the State's support in addressing these high priority needs.

Respectfully,

December 8, 2022

Public School Capital Outlay Council,

Gadsden ISD is applying for PSCOC Systems-based Capital Outlay funding for demolition of the Old Anthony Elementary Building known as the Alamo Building. This building was last used by the Special Education Department but is now vacated.

**Eligibility:** 

As per GISD FMP 2021-2026 and POMS Risk Control & Insurance, the building had been vacated due to statewide health directives.

**Application Request and Project Scope:** 

Gadsden ISD is requesting demolition funding to demolish the existing facility, the slabs, parking lot and concrete work as well as any utilities associated with the site. The Old Anthony Elementary Building known as Alamo Building is located at 609 Church St., Anthony, NM 88021 and was constructed in 1940. The demolition of the facility will consist of main building, boiler room, parking lot and a storage shed. All buildings have exceeded their useful lives. We would also put down a three-inch crusher fine base to mitigate any erosion of the site.

## **Estimated Costs:**

As per the Facilities Master Plan, the estimated total project cost to demolish the entire facility is \$862,942.00

**Funding:** 

Gadsden ISD's local match is 36% with no direct appropriation offset. The district does have the funding to support the application request, approximately \$315,000.00.

Sincerely,

Travis Dempsey

Superintendent of School District

# I. 2023 Capital Funding Pool and Application Announcement Letter

II. Presenter(s): Alyce Ramos, Programs Manager

Martica Casias, Executive Director

#### **III. Potential Motion:**

Council approval to release the 2023 Capital Funding Application Announcement and timeline, which specifies the preliminary funding pool of the 2023 Final wNMCI Ranking as follows:

#### Part 1:

- Standards-based eligibility: facilities within the top 175, or with a campus FCI over 70% as listed in the 2023 final wNMCI ranking;
- Systems-based eligibility: facilities within the top 350, or with a campus FCI over 70% as listed in the 2023 final wNMCI ranking, or systems identified as a Category 2 or 3 in the Facilities Assessment Database;
  - o Eligible systems: exterior envelope, mechanical, electrical, plumbing, special systems, site drainage and utilities;
  - o Or any system identified as category 1 in the Facilities Assessment Database;
  - o or demolition of any district owned abandoned facility.
- Pre-kindergarten facility requests: school districts and schools with Pre-kindergarten programs.
- Pilot-Teacher Housing: district demonstrates need for teacher housing in rural areas with no available housing.

#### Part 2:

Adopt the proposed 2023 PSCOC awards schedule, to include:

- Capital funding (Standards-based, Systems-based, Pre-kindergarten, Pilot Teacher Housing) application will remain open throughout the year, with awards held at any PSCOC meeting in 2023.
- Lease Assistance application cycle will occur mid-July through mid-August, with awards in November.
- FMP Assistance application will remain open throughout the year, with awards held on a quarterly basis.

# **IV.** Executive Summary:

## **Staff Recommendation:**

Part 1: Staff recommends release of the application announcement with preliminary funding pools for the four programs as listed in the motion and exhibit documents.

# Part 2: Approval of the awards schedule to include:

- Capital Funding Awards (Standards-based, Systems-based, Pre-kindergarten, Pilot Teacher Housing Awards)
  - o Applications open all year
  - o Awards held throughout the year (similar to out-of-cycle awards)
- Lease Assistance applications cycle mid-July mid-August, awards in November
- FMP Assistance applications open all year, quarterly awards.

# **Background:**

The Capital Funding Application Announcement serves as official notification and release of the application cycle to all school districts and charter schools.

# **Awards Schedule:**

In 2022, the application for capital funding remained open throughout the year with no close date. The Standards-based, Systems-based, and Pre-kindergarten awards were held quarterly and bi-annually.

# Advantages of open application and quarterly / bi-annual awards:

- Districts applied for funding when they were ready to apply.
- PSCOC was able to grant awards multiple times a year.

# Disadvantages of open application and quarterly / bi-annual awards:

- The cycle resulted in PSFA condensing the required workload to make multiple awards in the months between the award quarters, rather than throughout the year as planned.
- Some districts waited nine months from submission of application until the bi-annual awards occurred.

# **Capital Funding:**

• By holding awards throughout the year (potentially at all PSCOC meetings), the PSFA can present award recommendations once the required work, research, analysis, verification of need, and funding calculations are complete. Additional time would be allowed for more complex requests, while simple requests can move forward efficiently.

- This would also help facilitate applications moving forward in a more expeditious manner if the proposed legislative changes regarding the state/local match occur, which has the potential to increase demand for funding, and therefore increase applications and PSFA work load.
- Eligibility is determined by the school's ranking at the time the district submits a preapplication for an award.

# Lease Assistance Cycle:

PSFA proposes moving the application cycle to mid-July through mid-August, to align
with the start or the school year. Lease Assistance awards could tentatively occur at the
November PSCOC meeting.

# FMP Assistance Award Cycle:

- Currently, the FMP Assistance application cycle opens in August, and awards are held in November.
- In 2023, PSFA proposes having an open FMP Assistance application and award cycle. Districts can submit applications when they are ready, and can align applications with bond cycle. FMP Assistance awards can occur quarterly.

# MEMORANDUM

To: School Districts and Charter Schools

From: Martica Casias, PSFA Executive Director

**Date:** January 10, 2023

**Subject: 2023 Capital Funding Applications** 

The Public School Capital Outlay Council (PSCOC) released the 2023 Capital Funding Applications to make Standards-based, Systems-based, Pre-kindergarten, and Pilot-Teacher Housing awards for school districts meeting eligibility.

Eligibility thresholds are set to provide an opportunity for applications, but do not serve as a guarantee of an award for an application. The PSCOC may prioritize applications for capital funding, and will consider requests based on the criticality of need.

The 2023 final weighted New Mexico Condition Index (wNMCI) ranking, application documents and information can be found under the "Funding" heading in the "Operations" index on top of the PSFA homepage, at <a href="https://www.nmpsfa.org/wordpress/capital-funding/">https://www.nmpsfa.org/wordpress/capital-funding/</a>

The application will remain open throughout 2023, allowing districts to apply for funding at any time throughout the year. Applicant schools' eligibility is determined by the ranking at the time the district submits a pre-application for award consideration.

# Highlight of key dates:

- January 10 Applications released (applications remain open through the duration of 2023)
- Potential Awards may occur through the duration of 2023

Please contact PSFA Programs Manager for questions or further details about these capital funding programs and/or the application process.

• Alyce Ramos – PSFA Programs Manager (aramos@nmpsfa.org)

# STANDARDS-BASED CAPITAL OUTLAY

New, replacement, renovation or addition of school facilities.

Eligibility for standards-based capital outlay awards:

- school facilities within the **Top 175** as listed in the 2023 final wNMCI ranking;
- or with a <u>campus FCI greater than 70%</u> as listed in the 2023 final wNMCI ranking.

# SYSTEMS-BASED CAPITAL OUTLAY

Replacement or upgrade to select building systems.

Eligibility for systems-based capital outlay awards:

- school facilities within the **Top 350**, as listed in the 2023 final wNMCI ranking;
- or with a **campus FCI greater than 70%**, as listed in the 2023 final wNMCI ranking;
- or *eligible* systems identified in the Facilities Assessment Database (FAD) as a **Category 2** (indicating degradation due to age or use) or **Category 3** (indicating damage or degradation that is beyond repair), *regardless of current ranking of FCI score*

#### **ELIGIBLE SYSTEMS:**

- Exterior Envelope: roof, walls, windows, doors
- Mechanical
- Electrical
- Plumbing
- **Special Systems**: fire detection, fire suppression, communications
- Site Drainage and Utilities
- or <u>any</u> system identified in the FAD as a **Category 1** (indicating critical issues that pose immediate threats to the life, health or safety of persons within the facility), *regardless of current ranking of FCI score*.

Systems-based awards must have a minimum total project cost of \$200,000.

- or **demolition of abandoned facilities**, regardless of rank, FCI score, or building type.
  - Systems-based total project cost minimum requirement does not apply.

# PRE-KINDERGARTEN FACILITIES

New, replacement, renovation or addition of Pre-kindergarten facilities.

Eligibility for Pre-kindergarten classroom facility awards:

school districts and schools with Pre-kindergarten programs.

Funding for this program excludes the purchase of portable buildings.

# PILOT-TEACHER HOUSING CAPITAL OUTLAY

New or replacement teacher housing units.

Eligibility for teacher housing capital outlay awards:

- District demonstrates need for teacher housing in rural areas, with no available housing.
- Teacher housing is intended to recruit and retain teachers to the district and school.
- Applications will be prioritized based on district's teacher housing needs, community type, existing local housing options, and potential teacher housing type.

Charter schools are not eligible.

# REQUIREMENTS FOR ALL CAPITAL FUNDING PROGRAMS

- Match requirements per state/local match percentage at the time of the award.
  - The district/charter is willing and able to provide the local match of the total cost of the project.
  - District offsets (direct legislative appropriations) apply to all funding programs
  - Contingent on available funding, the PSCOC may consider limited approval of requests for local match reductions or advances, pursuant to statute criteria.
- A current facility master plan (FMP).
  - FMP includes and prioritizes the requested capital improvement project.
- The PSCOC may prioritize funding to districts demonstrating an overall satisfactory level of maintenance performance, which includes:
  - A current preventive maintenance plan on file with PSFA for the duration of 2023.
  - Consistent use of the Facility Information Management System (FIMS), with a 2.0 or better on all FIMS modules for the duration of 2023.
    - Applicant districts with campus FMAR scores below 70% are encouraged to contact PSFA for assistance in improving their measured maintenance performance.

# Public School Capital Outlay Council 2023 Capital Funding Programs - Eligibility

# STANDARDS-BASED

- 1. School facilities in the TOP 175 of the current wNMCI ranking
- 2. OR school facilities with a Campus FCI greater than 70% in current ranking

# **SYSTEMS-BASED**

- 1. School facilities in the **TOP 350** of the current wNMCI ranking
- OR School facilities with a Campus <u>FCI greater than 70%</u> in the current wNMCI ranking
  - may apply for eligible systems =
- **3.** OR <u>eligible systems</u> identified in the Facilities Assessment Database (FAD) as:
  - <u>Category 2</u> -indicates degradation due to age or use
  - <u>Category 3</u> indicates damage or degradation that is beyond repair
  - may apply for eligible systems

#### **ELIGIBLE SYSTEMS:**

- Exterior envelope (roof, walls, windows, doors)
- Mechanical
- Electrical
- Plumbing
- Special Systems (fire detection, fire suppression, communications)
- Site Drainage and Utilities
- **4.** OR <u>ANY systems identified in the FAD as Category 1</u> indicates critical issues that pose immediate threats to the life, health or safety
- **Demolition**: abandoned facilities

## PRE-KINDERGARTEN

School districts and schools with Pre-kindergarten programs are eligible for new, replacement, renovation, or addition to Pre-kindergarten facilities

## TEACHER HOUSING PILOT

• District demonstrates need for teacher housing in rural areas

#### **REQUIREMENTS FOR ALL CAPITAL FUNDING PROGRAMS:**

- District Local Match percentage is available at time of award
- Offsets (Direct Legislative Appropriations) apply to all funding programs
- Current Facility Master Plan (FMP)
- Current Preventive Maintenance (PM) Plan
- District use of a Facility Information Maintenance System (FIMS)
- Recommended FMAR score of 70%

#### **TO SUBMIT A PRE-APPLICATION:**

- Submit a Letter of Intent to the PSFA Programs Manager, at aramos@nmpsfa.org
  - See sample letter of intent outline on the PSFA Capital Funding webpage
- Pre-applications will be accepted all year, and awards will take place throughout the year.

For more information, contact Alyce Ramos, PSFA Programs Manager, at <a href="mailto:aramos@nmpsfa.org">aramos@nmpsfa.org</a> or visit the PSFA Capital Funding Page - <a href="mailto:https://www.nmpsfa.org/wordpress/capital-funding/">https://www.nmpsfa.org/wordpress/capital-funding/</a>

# I. 2023 Standards-based Capital Outlay Award - Pojoaque – Pojoaque MS

II. Presenter(s): Alyce Ramos, Programs Manager

Martica Casias, Executive Director

#### **III. Potential Motion:**

Council approval to make a Standards-based capital outlay award to (Pojoaque) Pojoaque Middle School – \$2,090,939 state share (65%), and \$1,203,428 district share (35%); planning and design phase funding for the replacement of the existing facility (excluding the gym) for 396 students, grades 6-8, and 53,725 gross square feet. Renovation to include the existing gymnasium and locker rooms. Enrollment projections and gross square footage (not to exceed the maximum gross square footage pursuant to the Adequacy Planning Guide) must be updated and approved by the PSCOC prior to the construction phase. Each allocation is intended to fully complete the project, phase or specified purpose. Upon completion of this awarded phase of work, including conformance with all contingencies, out-of-cycle funding for future phases of work may be considered at any upcoming regularly scheduled PSCOC meeting.

# **IV.** Executive Summary:

# **Request:**

Pojoaque Valley School District applied for a Standards-based award to replace and consolidate the Sixth Grade Academy and Pojoaque Middle School, excluding the gym and locker rooms for renovation.

The district has also requested 8 teacher housing units.

# **Staff Recommendation:**

Make a Standards-based award for the planning and design phase of the consolidation and replacement of Pojoaque Middle School, including the renovation of the gym and locker rooms.

Consider including the 8 teacher housing units as requested, as part of the Standards-based award and project.

# **Key Points:**

# Eligibility:

The 2023 Standards-based eligibility is as follows: top 150, or campus FCI greater than 70%. A school's eligibility is determined at the time of application.

• Pojoaque Middle School and Sixth Grade were both ranked in the top 10 at the time of application, and are therefore eligible.

# Consolidation:

The district is consolidating Pojoaque Middle School and Sixth Grade Academy in an effort to right-size the facility and program.

# **Teacher Housing:**

The district has also requested 8 teacher housing units.

- None of the available housing for purchase or rent within a ten mile radius is considered affordable (30% of income).
- Pojoaque Valley School District has teacher vacancies due to the lack of available housing in the area.

# Potential Funding:

- Pojoaque Valley School District can fully fund the local share of Phase 1.
- The district may need a local share reduction to fully fund Phase 2, depending on the estimated construction cost.
  - o If the legislative initiatives pass and can be applied to this award, the district will likely be able to afford the local share in full.

# <u>2022-2023 PSFA Summary: Pojoaque Valley School District – Sixth Grade Academy & Pojoaque Middle School</u>

#### **District Request**

#### Request

Standards-based award for the replacement / consolidation of the Pojoaque Sixth Grade Academy and Pojoaque Middle School.

- 396 students
- 58,925 GSF (maximum allowable / right-size)

Teacher Housing-8 units

#### **Eligibility**

Sixth Grade Academy:

• Ranked 10

• wNMCl of 51.27%

• Campus FCl of 68.61%

• Ranked 6

• wNMCl of 61.16%

• Campus FCl of 70.72%

#### **Project Need**

- The facilities have surpassed their functional life spans
  - Sixth Grade Academy: 1951 and 1986
  - Pojoaque Middle School: 1955, 1956, 1963, 1976, 1979, 1981, 1984
  - All buildings have multiple life-cycle deficiencies
- Existing campus configuration is disjointed causing security issues
- Existing facilities are underutilized
- Site has no outdoor fields for physical education

#### Scope of Work

- Full replacement of facility to include: school building, hardscaping, landscaping, playfields
  - District intends to keep the existing gym and auditorium. Renovations to eligible spaces are needed.
- Teacher Housing to include: 8 units (6 three-bedroom units and 2 two-bedroom units)

#### **Estimated Costs**

- School Replacement = \$32,943,671 total project cost
- Teacher Housing = \$4,000,000 total project cost
- Total project cost = \$36,943,671

#### Financing

- The district <u>has sufficient funding to accommodate the local match (35%) of Phase 1</u> (planning & design) of the potential project
- The district does not have adequate funds to accommodate the local share of Phase 2 (construction)
  - Current bond Nov. 2021 election \$5.5M
  - Previous bond \$2M available
  - Teacher housing funding available \$1.2M available

	Total	Local Match 35%	State Match 65%	
Estimated Project Cost - School	\$32,943,671	\$11,530,285	\$21,413,386	
Estimated Project Cost - Teacher Housing	\$4,000,000	\$1,400,000	\$2,600,000	
Total Project Cost	\$36,943,671	\$12,930,285	\$24,013,386	
Offset	\$50,400	+ \$50,400	- \$50,400	
Total Adjusted State/Local Match	\$36,943,671	\$12,980,685	\$23,962,986	

## **PSFA Recommendation**

PSFA agrees with the district's request for a consolidated replacement school.

#### **Existing Facility / Project Need**

- The facilities, buildings and systems have surpassed their functional life spans
- The cost to renovate / upgrade would be cost prohibitive
- The existing facility underutilized and inefficient
- The existing facility is 39,906 SF larger than the maximum allowable calculator GSF
- Site issues include: no obvious entry point, excessive hardscaping, uneven surfaces, no landscaping or playfields for physical education
- FAD Data:
  - 10 of the 11 assets on campus have Facility Condition (FCI) Index scores ranging between 64.44% and 90%, indicating the need for replacement rather than repair (typically FCI scores over 60%)
    - With the exception of the Cafeteria (FCI of 41.61%), which was renovated in 2014
  - All of the buildings have multiple systems that have surpassed their functional life spans
  - Condition based deficiencies include: roof, fire detection alarm, communications/security, structure, pavement

#### **Phasing**

- Phase 1 Planning and Design
  - Determine scope of work (enrollment projections), programing, design, construction documents
- Phase 2 Construction (Out-of-Cycle)
  - District can return to the PSCOC for an Out-of-Cycle funding request for construction

#### **Teacher Housing**

- None of the available housing for purchase or rent within a ten mile radius is considered affordable (affordability is defined as 30% or more of household income).
- Pojoaque Valley School District has teacher vacancies due to the lack of available housing in the area.

#### Recommendation

- PSFA recommends PSCOC participation in the total project cost, to the maximum allowable square footage
- PSFA agrees with the total estimated project cost submitted in the district's application, based on the following assumptions:
  - **396 students**, projected 5 year enrollment
  - 53,725 GSF, per the maximum allowable gross square foot calculator (excludes gymnasium)
  - \$400/SF (MACC) new construction
  - \$175/SF (MACC) renovation gym and locker rooms
  - \$25,341,285 = Total MACC
  - \$474/SF (TPC), including 30% soft costs (NMGRT, architect fees, testing, consultants, and contingency)
  - \$32,943,671 = Total Estimated Project Cost eligible for state funding

Options	Total Estimated Project Cost Per Application				
Without	\$32,943,671				
Housing	332,343,071				
With	\$26.042.671				
Housing	\$36,943,671				

Phase 1 Planning / Design	Local Match %	State Match %	Offset	Phase 1 Net Local Match After Offsets	Phase 1 Net State Match After Offsets	
\$3,294,367	35	65	\$50,400	\$1,203,428	\$2,090,939	
\$3,694,367	35	65	\$50,400	1,343,428	\$2,350,939	

Out-Year Local Match	Out-Year State Match
\$10,377,256	\$19,272,048
\$11,637,256	\$21,612,048

# **Standards-Based Eligibility Requirements**

Requirement	School Meets	
• Rank	Top 350	10 & 6
• wNMCI		51.27% & 61.16%
• FCI	Greater than 70%	68.61% & 70.71%
PM Plan	Must be current	Current
FIMS use	2.0 or better	Yes
• FMP	Must be current	Current
Local Match	District must have at time of award	Phase 1 only

## **Facility Description**

Original Construction Date: 1951

Additions:
 1955, 1956, 1963, 1976, 1979, 1981, 1984, 1986

• Total Gross Square Feet: 98,826

Permanent Square Feet:
 Portable Square Feet:
 1,680
 Number of Buildings:
 Number of Portables:

Site Size: 13 acres

# **Planning Summary**

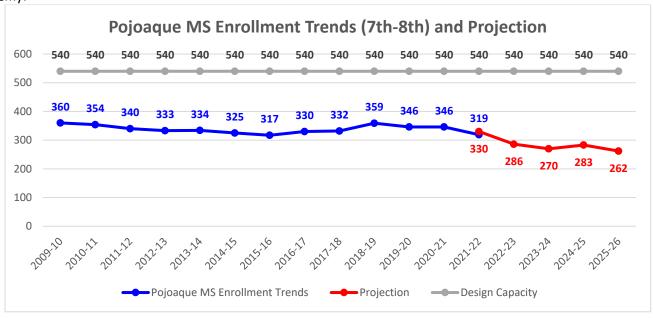

Facilities Master Plan: Current - 2021-2026

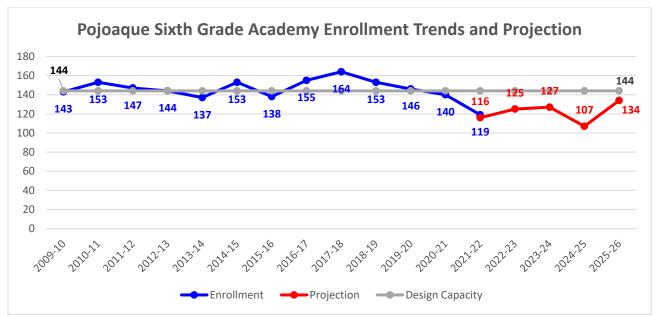

FMP Priority for School: Replacement of the Sixth Grade Academy and Middle School is the FMP's first priority.

<u>Planning Recommendation</u>: Most of the buildings on the campus have a high FCI. The district's planning consultant has recommended the district pursue a campus master plan to determine buildings which will remain (if any), those for possible disposal, and/or other options (i.e. other site).

#### **Enrollment Trends and Projections:**

The following charts provide enrollment trends and projections for Pojoaque Middle School and the Sixth Grade Academy.

Source: Enrollment- PED 40-Day Enrollment Counts; Projection/Capacity - 2021-2026 FMP

- <u>Middle School</u>: the enrollment declined during the first part of last decade before stabilizing during the middle. Toward the end of the last decade, it experienced slight increase. The FMP's projection commenced with the 2021-22 school year, providing one year of actual enrollment by which to compare. The actual enrollment is slightly lower than the projection.
  - The Middle School is operating significantly under capacity.
  - The projection shows continued decline over the FMP's projection period.
- <u>Sixth Grade Academy: the</u> enrollment's trend is similar to the Middle School's pattern. The projection is consistent with the actual 2021-22 enrollment number. It goes on to forecast stabilization, a sharp drop, and sharp increase in the 2025-26 school year corresponding to an increase in elementary students who will enter the middle school at that time.
- The school is operating at capacity with little ability to accommodate additional students, should growth occur.
- The combined projected enrollment for the Sixth Grade Academy and Middle School totals 396 students, projected to the 2025-26 school year.

#### E. FMP Highlights/Issues

- The Sixth Grade Academy and Pojoaque Middle School share the same site and certain spaces. The FMP recommends full replacement of the classroom buildings and replacement with a right-sized academic facility. The FMP basis its recommendation on:
  - Existing school configuration is disjointed with buildings and functions spread out across the site.
  - The campus has several safety issues as a result of the buildings being scattered on the site.
  - Some of the buildings have significant structural issues
  - HVAC systems need to be replaced campus wide
  - Electrical system needs upgrading campus wide
  - Roof needs repair and needs replacement
  - Fire/sprinkler system needs replacement
  - Restrooms are not ADA compliant
  - o Campus has excess square footage and will benefit from right-sizing
  - As of the December 2021 FAD rank, the Middle School is ranked #6 and the Sixth Grade Academy is ranked 10th
- The FMP states the district wants to retain the existing Lopez Gym for physical education with some renovation and system improvements.
- The district also wants to retain the auditorium on site for use by all district schools.

- While the FMP suggests the district use the current site for the replacement, it does discuss building a new Middle School building on the district's Jacona site and still retain the Lopez Gym and auditorium as district facilities at full district responsibility, meaning PSFA will remove these facilities from the FAD database. The Jacona site accommodates Pojoaque Valley High School.
- The district's maintenance shop shares the same site as well and does provide some space for the schools' choir program.

The PMS/Sixth Grade Academy is comprised of the following:

Building & Construction Dates	Dates	FCI	GSF	Function
Sixth Grade Academy	1951	64.44	10,807	Classrooms and school administration
Sixth Grade Academy Science lab Addition	1984	81.57	4,240	Science lab and storage
Lopez Gym	1976	79.57	15,589	Physical education
Old MS Gym	1956	75.47	13,882	Not assigned for instruction but used for district purposes
Food Service	1956	40.61	7,797	Kitchen and cafeteria
Fine Arts Building	1979	86.13	4,869	Art and Band
8 <sup>th</sup> Grade Wing	1963	90.00	7,990	Classrooms
Electives Building	1984	74.66	8,001	Home economics CR, computer lab, art CR, general CR
Main Academic Building	1984	71.98	20,837	Science Lab, general ed CR, special education, library
Computer Lab Building	1975	86.13	1,839	Computer labs
Chorus Room (in District Maintenance Shop)	1955	88.16	1,295	Chorus classroom in Maintenance Shop
District Maintenance Shop and Offices	1985	NA	8,016	Maintenance offices
School based health clinic (portables)	1989	NA	1,680	Nurse and health clinic

The next table provides an overview of capacity in the district.

School	Grade Level	2019-20 Enrollment	2020-21 Enrollment	2021-22 Enrollment	Functional Capacity	Available Capacity	Vacant or Other Rooms	Classroom Occupancy Rate	Facility Utilization Rate
Pablo Roybal ES	Pre-K-3rd	510	461	441	675	234	5	69.60%	85%
Pojoaque IS	4th-5th	263	230	233	273	40	0	84%	77%
Sixth Grade Aca.	6th	146	140	119	144	25	1	100%	83%
Pojoaque MS	7th-8th	346	346	319	540	221	3	69%	75%
Pojoaque HS	9th-12th	632	615	637	884	247	8	70%	71%
TOTALS		1897	1792	1749	2,516	767	19		

Source: Enrollment- PED 40-Day Enrollment Counts; Projection/Capacity/Utilization - 2021-2026 FMP

- The utilization analysis shows the Sixth Grade Academy utilizes its spaces efficiently at 83%. The school consists
  of six general education classrooms and one special ed classroom. A vacant science lab the school used for
  storage brings down the utilization rate.
- Pojoaque Middle School, however, has a lower utilization rate at 75%. This number is still within range of PSFA's preferable utilization rate for a middle school. Three vacant classrooms and elective classrooms not utilized fully contribute to the lower utilization rate.

The next table provides a district wide classroom overview.

				Permanent	Classrooms			
School	Pre-K	Gen Ed CR	Special Ed CR	Specialty CR	Vacant	Other	TOTAL Perm CR	Portable CR
Pablo Roybal ES	4	26	4	2	5	0	41	0
Sixth Grade Academy	0	6	1	0	1	0	8	0
Pojoaque Intermediate	0	10	3	4	0	0	17	0
Pojoaque MS	0	12	1	13	3	0	29	2
Pojoaque HS	0	22	3	15	8	2	50	0
TOTALS	4	76	12	34	17	2	145	2

Vacant rooms are those with no scheduled activity or FTE

Other rooms are those the school uses for non-instruction such as offices

The next chart compares existing GSF of the Sixth Grade Academy/Pojoaque Middle School to the GSF eligible for the enrollment projection.

Gross Square Foot Data									
<b>Enrollment Projection</b>	396								
Existing GSF (via FAD)	98,831								
Eligible GSF based on projection	58,925								
Difference between Existing and Eligible	39,906								

### **Maintenance Summary**

The Pojoaque-Valley School District meets all statutory requirements (as of September 14, 2022)

- Preventive Maintenance Plan is current
  - o Last updated December 29, 2021 (Annual update required; 6.27.3.11 NMAC)
  - o Plan rated Good
- Quarterly FIMS Proficiency Reports: Satisfactory user of all 3 State provided FIMS maintenance resources.
- PM Completion Rate: 87.50% performance rating
  - o Just below the 90% recommendation
- Facility Maintenance Assessment Report (FMAR): district average is 67.45%
  - The district is maintaining their assets and facility conditions to a Marginal level
  - Currently below the state average of 71%

### Pojoaque Valley Middle School FMAR performance rating (August 20, 2020)

- 63.567%
- Marginal performance with 6 Minor and 4 Major Deficiencies

### Sixth Grade Academy FMAR performance rating (January 4, 2021)

- 84.109%
- Good performance with 2 Minor and 1 Major Deficiencies

### **Staff Recommends:**

- Continue their diligence towards improved core maintenance to 80% (Good) ratings;
- Continuing their use of the FIMS tools to drive district maintenance performance and responding to subsequent FMARs through the 60-day response process supporting quality facility conditions addressing the minor and major deficiencies through FIMS or capital planning efforts

# **District-wide School Map**

## **School Site Map**

- Take home pay for a first-year teacher is approximately \$2,500 per month.
- Housing is considered affordable if it does not require more than \$750 (or 30%) of take-home pay per month.
- None of the housing (for purchase or rental) within a ten-mile radius of Pojoaque are considered affordable.

Within a ten-mile radius of Pojoaque (14 miles from Pojoaque Middle School to Santa Fe):

- 45 homes are available for purchase
  - o Prices range from \$99,000 to \$4,850,00 (\$99,000 home is an auction property, next lowest home price is \$209,900)
  - o The average cost is \$955,762 with an average monthly payment of \$5,409
  - o Most homes are single-family residences, 7 are pre-manufactured
- The 12 homes closest to Pojoaque (within a five-mile radius) range in price from \$244,000 to \$4,850,000 with an average price of \$1,376,500 and an average size of 4,173 square feet
- Six homes/apartments are available for rent: Prices range from \$1,500 \$3,250 / month, average \$2,442

July 15, 2922

Dear Public School Capital Outlay Council,

### Introduction:

The Pojoaque Valley School District is applying for the Standards-Based Capital funding program to replace the Sixth Grade Academy and Pojoaque Valley Middle School with a new combined facility on the existing campus.

Eligibility: Currently, both schools are located on the same campus and share facilities and have different facility condition rankings. Per the final 2022/23 PSFA/PSCOC School Facility Rankings, Pojoaque Middle School is currently ranked at #6 w/ NMCl of 61.16%, while the Sixth Grade Academy is currently ranked #10 w/ NMCl of 51.27%. While both schools are ranked individually, PVSD intends that both schools be consolidated into one award, as both schools will be consolidated into one facility on the existing campus once construction is complete.

2022 - 2023 Final wNMCI Ranking Sorted by Rank

Rank	District	School Name	Gross Area (Sq.Ft.)	wNMCI
	OFFICIAL Statewide Average wNM	CI: 23.49%; Statewide Average Cumulative FCI: 53.77%; Average wNM	CI of Top 30: 49.92%	
1	Gallup McKinley	Gallup School Alternative HS	35,312	122.44%

### Application Request and Project Scope:

As part of the PVSD 2021-2026 District-wide Facility Master Plan, one of the top priorities identified for the district was the replacement of the Sixth Grade Academy/ Middle School Campus Facilities and consolidating the two schools into one comprehensive middle school, not only to reduce under-utilized square footage (approx. 40K SF

Pojoaque Valley Schools Board of Education

Toby G. Velasquez President Adam E. Muller Vice President Susan Quintana Secretary

Felix Benavidez Member Jerome P. Lujan Member reduction) of the existing campus facilities but to also improve the educational programs and opportunities for all middle school students in the district in grades 6th - 8th.

The SGA/ PV Middle School campus site is located just west of the NM 285/84 & NM 502 interchange on site that is approximately 13.4 acres. The existing campus configuration is very disjointed and spread out, which has caused security issues along with a decline in enrollment has also resulted in under-utilization of several campus facilities. The school has very minimal outdoor student gathering areas and no playfields on the existing campus which has limited our physical education program. PVSD's intent for this school is to demolish all of the classroom buildings on the existing site including the old science classroom addition along the southside of the district's auditorium and to replace them with an appropriately sized middle school facility (to NM Adequacy Standards) that meets the schools' educational program needs for grades 6th- 8th grade and which will result in an organized and secured campus so the school can have its own playfields to meet the required physical education requirements for middle school students.

Utilizing the PSFA Gross Square Footage Calculator, based on the projected five-year combined enrollment of 396 students for the SGA/ Middle School generates a new replacement Middle School with 58,925 SF. The District understands there some square footage reduction for the reuse of the middle school gym (Lopez Gym) and Cafeteria, both of which will need to be renovated per the needs identified in the FMP as part of this project (roofs, locker room renovations, fire alarms, etc).

### **Estimated Costs:**

The Total Project Budget for the replacement of the existing facilities, site improvements, and minor renovations to Lopez Gym, including demolition is \$33,069,105 including soft costs.

### Funding:

The District's local match percentage is:

- State 76% (\$23,082,933)
- District 24% (\$7,289,348)

Funding for this project will come from PVSD's recently passed November 2021 GO Bond in the amount of \$5.5M and the District has \$2M available from its previous GO Bond to also allocate to this project.

### **Contingency Plan:**

The current campus was donated by a community family and there is currently an easement that is owned by Pojoaque Pueblo that goes through a portion of the campus and at this time it is unknown the purpose for it, however, the district is in the process of investigating if it can be vacated. After the design phase, if the current campus cannot meet the regulatory requirements of the family and/or vacation of the easement, the District could consider an alternative location including at the Jacona Campus. While the Jacona Campus is not an ideal location due to increased traffic concerns in the area and the increased water and sewage demands a new facility would place on the site; however, this location would ONLY be considered if construction cannot be completed at the existing middle school campus, which will need to remain in operation during construction.

Sincerely,

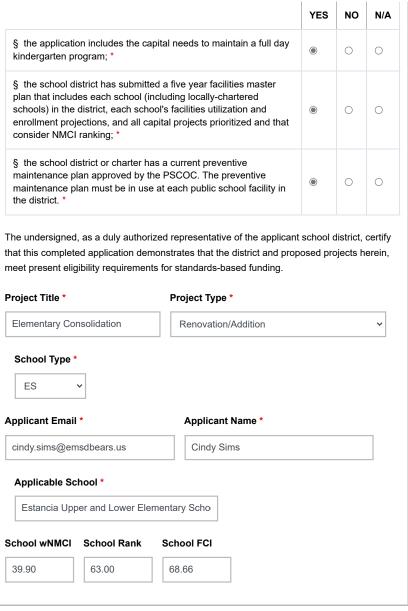

Sondra Adams

Superintendent of Schools

Pojoague Valley Schools Board of Education

## I. P22-001 Gadsden – Gadsden MS – Award Language Change

**II.** Presenter(s): Ryan Parks, Deputy Director

Martica Casias, Executive Director

### **III. Potential Motion:**

Council approval to amend the current Standards-based award to Gadsden Independent School District (GISD) for Gadsden MS to include the relocation of the 6<sup>th</sup> grade students to Gadsden MS, with a 273 student increase in the enrollment for a total of 1,005 students, grades 6-8, and a maximum allowable gross square footage of 111,194 GSF, an increase in the state match of \$694,462 (70%) and in the local match of \$297,627 (30%), totaling \$992,089 for the ongoing design phase. Upon completion of the design phase work, the district may return to the PSCOC for out-of-cycle construction phase funding to include final approval of the enrollment.

# **IV.** Executive Summary:

### **District Request:**

GISD requests approval of the motion.

## **Staff Recommendation:**

Staff recommends approval of the motion.

# **Key Points:**

- The district decided to re-organize its middle schools into a 6th-8th grade model, from the current 7th-8th grade model, and is extending its STEM program to the 6th grade.
- The requested increase in GSF results in a \$6,944,625 (MAC) and \$9,920,893 (TPC) and is based on \$375/SF for new construction.
- Out-Year Construction Estimate increases by \$8.9M from \$49.1 to \$58M
- The addition of the 6<sup>th</sup> grade along, with the 7-8<sup>th</sup> grade projections represents a flat growth trend and shows a decrease in enrollment from the 21-22 6-8<sup>th</sup> grade enrollment.
- A flat growth trend is forecasted through the projection period, with enrollment in the long term beyond the projection period may trend downward given lower birth rates and projected smaller elementary cohorts.

PSFA GSF calculator allows 93,405 GSF for 732 students but the Gadsden MS Ed Specs programmed 92,676 GSF, 730 GSF below the Adequacy Planning Guide

# SUPPLEMENTAL MATERIAL

## P22-001 Gadsden – Gadsden MS – Award Language Change

### **Planning:**

- The 2021-2022 enrollment is 712 for 7 and 8<sup>th</sup> grades.
- In the Gadsden MS service area, only three out of eight schools utilize portable classrooms for instruction/curriculum support. As a result, relocating the 6th grade to Gadsden MS could mean unutilized classrooms unless the schools repurpose these spaces or consolidates schools.
- There are 19 6th grade classrooms among the 8 elementary schools feeding Gadsden MS.
  - o Berino, Loma Linda, and Mesquite elementary schools utilize portables for instruction. These portables could potentially relocate to the vacated 6th grade classrooms.

# **Background:**

- In July 2021, GISD was awarded \$75,000 which included a \$27,200 Offset balance that revised the state-local match from 70/30% to 66.27/33.73% in Planning phase funding to complete a feasibility study, campus master plan and educational specification to determine options to renovate or replace the existing buildings, with demolition.
- In May 2022, GISD was awarded Design phase funding totaling \$5,462,530 for a 92,675 GSF replacement facility for 732, 7<sup>th</sup> and 8<sup>th</sup> grade students.
- In November 2022, GISD submitted a letter requesting that the PSCOC amend the award language to include 350, 6<sup>th</sup> grade students and a 29,084 GSF increase.

Estimated Gadsden MS Replac	ement Costs	<b>State Match</b>	Local Match

# SUPPLEMENTAL MATERIAL

P22-001 Gadsden – Gadsden MS – Award Language Change

### **History:**

**July 12, 2021:** Planning phase funding to complete a feasibility study to determine options to renovate or replace the existing middle school buildings, with demolition of excess square footage, including a cost/benefit and building systems analysis, followed by a campus master plan and educational specification for grade levels 7th and 8th. Upon completion, the district may return to the PSCOC for the next out-of-cycle funding phase to include approval of the design enrollment, maximum gross square footage pursuant to the Adequacy Planning Guide, and an update to the total estimated project cost. PSCOC may make an award to fund a functional phase of a project without committing to funding future phases of proposed projects. The Council shall reevaluate each phase of a project and the capacity of the Public School Capital Outlay Fund before making an award for a subsequent phase of a project.

May 2, 2022: Council approval to amend the current Standards-based award to Gadsden Independent Schools for Gadsden MS to include Design Phase funding for the replacement of the existing facility in order to construct a new school with a design enrollment of 732 students, grades 7-8 up to the maximum allowable gross square footage of 92,675 GSF, with an increase in the state match of \$3,823,771 (70%) and a local match of \$1,638,759 (30%) for the design phase up to \$5,462,530. Review of design enrollment shall occur during the design phase with approval of the design enrollment prior to the out-of-cycle construction phase funding request.

RE: Gadsden MS (Gadsden) Project (P22-001) and Chaparral MS (Gadsden) Project (P22-006)

To Whom It May Concern,

Gadsden Independent School District (GISD) is requesting a change to P22-001 and P22-006 awards. The Gadsden MS (Gadsden) Project is a replacement for the existing facility to construct a new school with a design enrollment of 732 students, grades 7th and 8th up to a maximum allowable gross square footage or 92,675 GSF. The Chaparral MS (Gadsden) Project is for the full renovation of the existing facility to construct a new school with a design enrollment of 680 students grades 7th and 8th up to a maximum allowable gross square footage or 89,001 GSF. The GISD School Board and Superintendent will be realigning the GISD Middle Schools to include the 6th grade students in a STEM program at each of the middle schools. The additional design at Gadsden Middle School will be for 350 students, adding approximately 26,000 GSF. The additional design at Chaparral Middle School will be for 300 students, adding approximately 22,300 GSF.

Adding these 6th grade spaces to the Middle Schools to meet the Adequacy Standards would add a significant cost, but due to the current projects planning and future construction, this is the ideal time to make this move. So, we are requesting the PSFA/PSCOC to consider changing the awards to include the addition of spaces for the 6th grade students in a STEM program at each of the middle schools. This will provide the students with the exceptional educational opportunities expected in the district.

GISD in cooperation with PSFA looks forward to our continued success in providing the GISD Student Population with the highest quality of education by supporting the required spaces needed for our students. I thank you for your support, please feel free to call me or email me with any questions or concerns.

Sincerely,

Rafael Yellegoz

### **MEMORANDUM**

RE: Gadsden 6<sup>th</sup> Grade Re-Organization to Middle Schools

### I. INTRODUCTION

This memo provides an overview of the effect of adding 6<sup>th</sup> grade to the Gadsden Independent School District (GISD) middle schools. Recently, the GISD decided to re-organize its middle schools into a 6<sup>th</sup>-8<sup>th</sup> grade model, departing from the current 7<sup>th</sup>-8<sup>th</sup> grade model. The district is extending its middle school STEM program to the 6<sup>th</sup> grade and making this move now provides an opportunity to ensure these students have space in the replaced middle schools. This re-organization will increase the number of students and square footage in both the replaced Chaparral and Gadsden Middle School projects.

#### II. ISSUES AND KEY POINTS

- The enrollment projections for both Gadsden and Chaparral feature a no growth/stable trend through the projection period. It is conceivable in the long term, beyond the projection period, to see enrollment declines given decreasing birth rates and projected lower enrollments in the elementary level.
- In the Chaparral Middle School attendance area, the elementary schools utilize portable classrooms for instruction. These programs can potentially move into these classrooms once the 6<sup>th</sup> grade vacates these spaces, meaning the vacated classrooms won't remain unutilized.
- In the Gadsden Middle School attendance areas, the schools do not utilize portables to a great extent, meaning some vacated 6<sup>th</sup> grade classrooms may remain vacant unless the schools can re-purpose these spaces or consolidate schools.
- The district completed educational specifications for both Chaparral and Gadsden Middle School but did not anticipate the 6<sup>th</sup> grade relocation. During the design process, the schools will need to identify the spaces required to support the 6<sup>th</sup> grade.

### III. CHAPARRAL MIDDLE SCHOOL

- The addition of the 6<sup>th</sup> grade adds a projected 282 students to the previously approved design enrollment of 680 students, as defined by the recently completed Chaparral Middle School Educational Specifications for school year 2028-29.
- The target capacity for the 7<sup>th</sup>-8<sup>th</sup> Chaparral Middle School is 680 students. Locating the 6<sup>th</sup> grade to the replaced Chaparral Middle School will increase the capacity to 955.

Table 1: Chaparral Middle School 7 <sup>th</sup> -8 <sup>th</sup> Grade Model vs 6 <sup>th</sup> -8th					
Capacity	Gross Square Feet				
680 (7 <sup>th</sup> -8 <sup>th</sup> )	89,001				
955 (6 <sup>th</sup> -8 <sup>th</sup> )	108,424				
Difference	19,423				

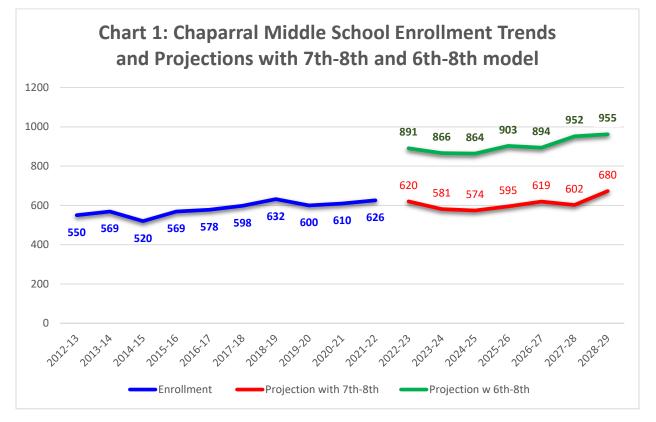

- The projection compared to the 2021-22 actual enrollment represents a flat enrollment scenario consistent with prevailing trends in the Chaparral area since it adds only 38 students.
- The difference in eligible gross square feet (GSF) is 19,793 and increases the potential size of the building from 89,001 GSF to 108,424 GSF.
- The following table shows the 2021-22 enrollment by grade level as well as the 6<sup>th</sup>-8<sup>th</sup> projections.

Ta	Table 2: Chaparral Middle School Projection with 6 <sup>th</sup> -8 <sup>th</sup> Grade Model by Grade Level

- In the Chaparral area, the elementary schools utilize portable classrooms for instructional and curriculum related functions or for 6<sup>th</sup> grade. At Chaparral Elementary and Sunrise Elementary schools, instruction-related functions can move into the vacated 6<sup>th</sup> grade classrooms.
- The next table provides an overview of classroom vacancy after 6th grade relocation in the Chaparral area.

	Table 3: 6th Grade Classroom Utilization After Middle School Relocation										
School	Existing 6 <sup>th</sup> Grade	Portable	Potential Former	Notes							
	Classrooms	Classrooms	6 <sup>th</sup> Grade								
		Currently Used for	Classrooms								
		Instruction	Vacant After								
			Absorption								
Chaparral ES	3	6	0	Portable CR currently used							
				for special ed, computer							
				labs, physical education							
Desert Trail ES	3	0	0	All 6 <sup>th</sup> Grade CR currently in							
				portables							
Sunrise ES	3	5	0	Portable CR currently used							
				for art, music, physical							
				education							
Yucca Heights ES	4	0	2	Two portable CR currently							
				used for 6 <sup>th</sup> grade							
TOTALS	13	11	2								

- In the Chaparral area, there are thirteen 6<sup>th</sup> grade classrooms; three at Chaparral, Desert Trails, and Sunrise and four at Yucca Heights.
  - At Chaparral, the school uses six portable classrooms for instruction or curriculum support spaces including special education, computer labs, and physical education classrooms. These activities could potentially move into the three vacated 6<sup>th</sup> grade classrooms.
  - At Desert Trail Elementary School, the school houses all three of its 6<sup>th</sup> grade classrooms in portables, meaning there will be no impact to permanent space as a result of the 6<sup>th</sup> grade relocation.
  - At Sunrise Elementary, the school utilizes five portable classrooms for instruction including art, music, special education, and physical education. These activities could potentially move into the vacated 6<sup>th</sup> grade classrooms
  - O Yucca Heights has four 6<sup>th</sup> grade classrooms, two of which it houses in portables. These portable 6<sup>th</sup> grade classrooms are the only portables on the campus. Relocation of the 6<sup>th</sup> grade could potentially leave two vacant classrooms. The Chaparral area is one area of the district that has experienced growth pressure due to its proximity to Fort Bliss, White Sands Missile Range, and economic development in Northeast El Paso.

### **IV. GADSDEN MIDDLE SCHOOL**

- Addition of the 6<sup>th</sup> grade to the previously approved enrollment in the GMS project adds 380 students to the project based on projections in the recently completed Gadsden Middle School Educational Specifications.
- The addition of the 6<sup>th</sup> grade along, with the7th-8<sup>th</sup> grade projections represents a flat growth trend and only adds 18 students from the 2021-22 6<sup>th</sup>-8<sup>th</sup> grade enrollment.
- While the growth trend through the projection period forecasts a flat growth trend, enrollment
  in the long term beyond the projection period may trend downward given lower birth rates and
  projected smaller elementary cohorts.
- The target capacity for the 7<sup>th</sup>-8<sup>th</sup> Gadsden Middle School is 732 students. Based on the 2022-23 school year, PSFA adjusted this total downward to 656. Locating the 6<sup>th</sup> grade to the replaced Gadsden Middle School will increase the capacity to 1,005.

Table 4: Gadsden Middle School 7 <sup>th</sup> -8 <sup>th</sup> Grade Model vs 6 <sup>th</sup> -8th							
Capacity Gross Square Feet							
732 (7 <sup>th</sup> -8 <sup>th</sup> )	92,676**						
1005 (6 <sup>th</sup> -8 <sup>th</sup> )	111,194						
	18,518						
Difference							

<sup>\*</sup>GSF calculator allows 93,405 GSF for 732 students but the GMS Ed Specs programmed 92,676 GSF

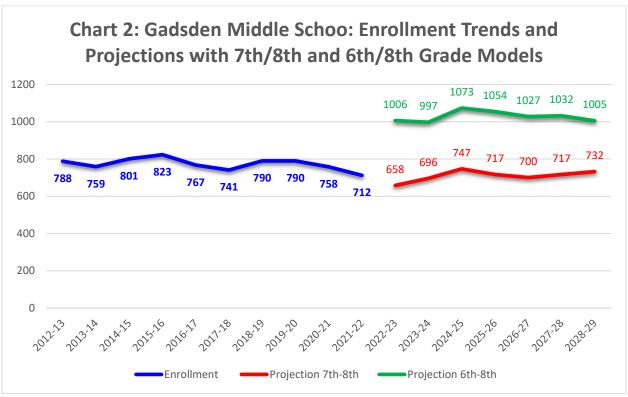

• The following table shows the 2021-22 enrollment as well as the 6<sup>th</sup>-8<sup>th</sup> projections by grade level.

	Table 5: Gadsden Middle School Projection with 6 <sup>th</sup> -8 <sup>th</sup> Grade Model by Grade Level

				special ed, music, art						
Mesquite ES	2	2	0	Portable CR used for						
				kindergarten, and music						
North Valley ES	2	0	2							
Vado ES	2	0	2							
TOTALS	19	7	13							

- There are nineteen 6<sup>th</sup> grade classrooms among the eight elementary schools feeding Gadsden Middle School.
  - Berino ES, Loma Linda, and Mesquite elementary schools utilize portables for instruction. Activities in these portable classrooms could potentially relocate to the vacated 6<sup>th</sup> grade classrooms.
  - After the vacated classrooms absorb the portable activities, there could potentially be 13 unutilized classrooms among the GMS feeders unless the schools can repurpose these spaces.
  - The district may consider consolidating schools, which could mean utilization of its vacated classrooms may occur.

Sincerely,			

January 9, 2023 Item No. VI.B.

## I. P22-006 Gadsden – Chaparral MS – Award Language Change

II. Presenter(s): Martica Casias, Executive Director

Ryan Parks, Deputy Director

### **III. Potential Motion:**

Subcommittee recommendation for Council approval to amend the current Standards-based award to Gadsden Independent School District (GISD) for Chaparral MS to include the relocation of the 6th grade students to Chaparral MS, for a 282 student increase in enrollment for a total of 955 students, grades 6 - 8, with a maximum allowable gross square footage of 108,424 GSF, for an increase in the state match of \$534,133 (70%) and in the local match of \$228,914 (30%), totaling \$763,047 for the ongoing design phase. Upon completion of the design phase work, the district may return to the PSCOC for out-of-cycle construction phase funding to include final approval of the enrollment.

## **IV.** Executive Summary:

### **District Request:**

GISD requests approval of the motion.

### **Staff Recommendation:**

Staff recommends approval of the motion contingent on verification of the enrollment projections.

### **Key Points:**

- The requested increase in Gross Square Footage results in a \$5,341,325 and \$7,630,464 increase to the MACC and TPC and is based on \$275/SF for full renovation.
- Out-Year Construction Estimate increases by \$7.6M from \$33.5 to \$40.4M.
- The district decided to re-organize its middle schools into a 6th-8th grade model, departing from the current 7th-8th grade model. The district is extending its middle school STEM program to the 6th grade.
- The projection compared to the 21-22 enrollment represents a flat enrollment scenario consistent with prevailing trends in the Chaparral area since it adds only 38 students.
- In the Chaparral MS attendance area, the elementary schools utilize portable classrooms for instruction. These programs can potentially move into these classrooms once the 6th grade vacates these spaces.

# SUPPLEMENTAL MATERIAL

## P22-006 Gadsden - Chaparral MS - Award Language Change

### **Planning:**

- The 2021-2022 enrollment is 625 for 7<sup>th</sup> and 8<sup>th</sup> grades.
- In the Chaparral area, there are thirteen 6th grade classrooms; three at Chaparral, Desert Trails, and Sunrise and four at Yucca Heights. These schools utilize portable classrooms for instructional and curriculum related functions or for 6th grade.
  - o Chaparral ES, uses six portable classrooms for instruction or curriculum support spaces
  - o Desert Trail ES, houses all three of its 6th grade classrooms in portables
  - o Sunrise ES the school utilizes five portable classrooms for instruction
  - O Yucca Heights has a total of four, two of which are housed in portables.

## **Background:**

- In July 2021, GISD was awarded \$75,000 in Planning phase funding to complete a feasibility study, campus master plan and educational specification to determine options to renovate or replace the existing buildings, with demolition.
- In May 2022, GISD was awarded Design phase funding totaling \$3,729,480 for a renovated facility totaling 89,001 GSF facility for 680, 7<sup>th</sup> and 8 grade students.
- In November 2022, GISD submitted a letter requesting that the PSCOC amend the award language to include 282, 6<sup>th</sup> grade students and a 19,423 GSF increase.

# SUPPLEMENTAL MATERIAL

### P22-006 Gadsden - Chaparral MS - Award Language Change

### **History:**

**July 12, 2021:** Planning phase funding to complete a feasibility study to determine options to renovate or replace the existing middle school buildings, with demolition of excess square footage, including a cost/benefit and building systems analysis, followed by a campus master plan and educational specification for grade levels 7th and 8th. Upon completion, the district may return to the PSCOC for the next out-of-cycle funding phase to include approval of the design enrollment, maximum gross square footage pursuant to the Adequacy Planning Guide, and an update to the total estimated project cost. PSCOC may make an award to fund a functional phase of a project without committing to funding future phases of proposed projects. The Council shall reevaluate each phase of a project and the capacity of the Public School Capital Outlay Fund before making an award for a subsequent phase of a project.

May 2, 2022: Council approval to amend the current Standards-based award to Gadsden Independent Schools for Chaparral MS to include Design Phase funding for the full renovation of the existing facility to construct a new school with a design enrollment of 680 students, grades 7-8 up to the maximum allowable gross square footage of 89,001 GSF, with an increase in the state match of \$2,610,636 (70%) and a local match of \$1,118,844 (29%) for the design phase up to \$3,729,480. Review of design enrollment shall occur during the Design Phase with approval of the design enrollment prior to the out-of-cycle Construction Phase funding request.

RE: Gadsden MS (Gadsden) Project (P22-001) and Chaparral MS (Gadsden) Project (P22-006)

To Whom It May Concern,

Gadsden Independent School District (GISD) is requesting a change to P22-001 and P22-006 awards. The Gadsden MS (Gadsden) Project is a replacement for the existing facility to construct a new school with a design enrollment of 732 students, grades 7th and 8th up to a maximum allowable gross square footage or 92,675 GSF. The Chaparral MS (Gadsden) Project is for the full renovation of the existing facility to construct a new school with a design enrollment of 680 students grades 7th and 8th up to a maximum allowable gross square footage or 89,001 GSF. The GISD School Board and Superintendent will be realigning the GISD Middle Schools to include the 6th grade students in a STEM program at each of the middle schools. The additional design at Gadsden Middle School will be for 350 students, adding approximately 26,000 GSF. The additional design at Chaparral Middle School will be for 300 students, adding approximately 22,300 GSF.

Adding these 6th grade spaces to the Middle Schools to meet the Adequacy Standards would add a significant cost, but due to the current projects planning and future construction, this is the ideal time to make this move. So, we are requesting the PSFA/PSCOC to consider changing the awards to include the addition of spaces for the 6th grade students in a STEM program at each of the middle schools. This will provide the students with the exceptional educational opportunities expected in the district.

GISD in cooperation with PSFA looks forward to our continued success in providing the GISD Student Population with the highest quality of education by supporting the required spaces needed for our students. I thank you for your support, please feel free to call me or email me with any questions or concerns.

Sincerely,

Rafael Yellegoz

Rafael "Ralph" Gallegos

### **MEMORANDUM**

RE: Gadsden 6<sup>th</sup> Grade Re-Organization to Middle Schools

### I. INTRODUCTION

This memo provides an overview of the effect of adding 6<sup>th</sup> grade to the Gadsden Independent School District (GISD) middle schools. Recently, the GISD decided to re-organize its middle schools into a 6<sup>th</sup>-8<sup>th</sup> grade model, departing from the current 7<sup>th</sup>-8<sup>th</sup> grade model. The district is extending its middle school STEM program to the 6<sup>th</sup> grade and making this move now provides an opportunity to ensure these students have space in the replaced middle schools. This re-organization will increase the number of students and square footage in both the replaced Chaparral and Gadsden Middle School projects.

#### II. ISSUES AND KEY POINTS

- The enrollment projections for both Gadsden and Chaparral feature a no growth/stable trend through the projection period. It is conceivable in the long term, beyond the projection period, to see enrollment declines given decreasing birth rates and projected lower enrollments in the elementary level.
- In the Chaparral Middle School attendance area, the elementary schools utilize portable classrooms for instruction. These programs can potentially move into these classrooms once the 6<sup>th</sup> grade vacates these spaces, meaning the vacated classrooms won't remain unutilized.
- In the Gadsden Middle School attendance areas, the schools do not utilize portables to a great extent, meaning some vacated 6<sup>th</sup> grade classrooms may remain vacant unless the schools can re-purpose these spaces or consolidate schools.
- The district completed educational specifications for both Chaparral and Gadsden Middle School but did not anticipate the 6<sup>th</sup> grade relocation. During the design process, the schools will need to identify the spaces required to support the 6<sup>th</sup> grade.

### III. CHAPARRAL MIDDLE SCHOOL

- The addition of the 6<sup>th</sup> grade adds a projected 282 students to the previously approved design enrollment of 680 students, as defined by the recently completed Chaparral Middle School Educational Specifications for school year 2028-29.
- The target capacity for the 7<sup>th</sup>-8<sup>th</sup> Chaparral Middle School is 680 students. Locating the 6<sup>th</sup> grade to the replaced Chaparral Middle School will increase the capacity to 955.

Table 1: Chaparral Middle School 7 <sup>th</sup> -8 <sup>th</sup> Grade Model vs 6 <sup>th</sup> -8th			
Capacity	Gross Square Feet		
680 (7 <sup>th</sup> -8 <sup>th</sup> )	89,001		
955 (6 <sup>th</sup> -8 <sup>th</sup> )	108,424		
Difference	19,423		

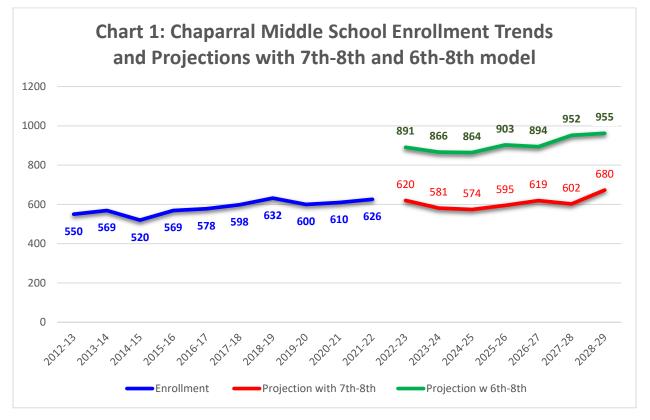

- The projection compared to the 2021-22 actual enrollment represents a flat enrollment scenario consistent with prevailing trends in the Chaparral area since it adds only 38 students.
- The difference in eligible gross square feet (GSF) is 19,793 and increases the potential size of the building from 89,001 GSF to 108,424 GSF.
- The following table shows the 2021-22 enrollment by grade level as well as the 6<sup>th</sup>-8<sup>th</sup> projections.

Ta	Table 2: Chaparral Middle School Projection with 6 <sup>th</sup> -8 <sup>th</sup> Grade Model by Grade Level

				used for 6 <sup>th</sup> grade
TOTALS	13	11	2	

- In the Chaparral area, there are thirteen 6<sup>th</sup> grade classrooms; three at Chaparral, Desert Trails, and Sunrise and four at Yucca Heights.
  - At Chaparral, the school uses six portable classrooms for instruction or curriculum support spaces including special education, computer labs, and physical education classrooms. These activities could potentially move into the three vacated 6<sup>th</sup> grade classrooms.
  - At Desert Trail Elementary School, the school houses all three of its 6<sup>th</sup> grade classrooms in portables, meaning there will be no impact to permanent space as a result of the 6<sup>th</sup> grade relocation.
  - At Sunrise Elementary, the school utilizes five portable classrooms for instruction including art, music, special education, and physical education. These activities could potentially move into the vacated 6<sup>th</sup> grade classrooms
  - O Yucca Heights has four 6<sup>th</sup> grade classrooms, two of which it houses in portables. These portable 6<sup>th</sup> grade classrooms are the only portables on the campus. Relocation of the 6<sup>th</sup> grade could potentially leave two vacant classrooms. The Chaparral area is one area of the district that has experienced growth pressure due to its proximity to Fort Bliss, White Sands Missile Range, and economic development in Northeast El Paso.

#### **IV. GADSDEN MIDDLE SCHOOL**

- Addition of the 6<sup>th</sup> grade to the previously approved enrollment in the GMS project adds 380 students to the project based on projections in the recently completed Gadsden Middle School Educational Specifications.
- The addition of the 6<sup>th</sup> grade along, with the7th-8<sup>th</sup> grade projections represents a flat growth trend and only adds 18 students from the 2021-22 6<sup>th</sup>-8<sup>th</sup> grade enrollment.
- While the growth trend through the projection period forecasts a flat growth trend, enrollment
  in the long term beyond the projection period may trend downward given lower birth rates and
  projected smaller elementary cohorts.
- The target capacity for the 7<sup>th</sup>-8<sup>th</sup> Gadsden Middle School is 732 students. Based on the 2022-23 school year, PSFA adjusted this total downward to 656. Locating the 6<sup>th</sup> grade to the replaced Gadsden Middle School will increase the capacity to 1,005.

Table 4: Gadsden Middle School 7 <sup>th</sup> -8 <sup>th</sup> Grade Model vs 6 <sup>th</sup> -8th			
Capacity	Gross Square Feet		
732 (7 <sup>th</sup> -8 <sup>th</sup> )	92,676**		
1005 (6 <sup>th</sup> -8 <sup>th</sup> )	111,194		
	18,518		
Difference

Mesquite ES	2	2	0	Portable CR used for
				kindergarten, and music
North Valley ES	2	0	2	
Vado ES	2	0	2	
TOTALS	19	7	13	

- There are nineteen 6<sup>th</sup> grade classrooms among the eight elementary schools feeding Gadsden Middle School.
  - Berino ES, Loma Linda, and Mesquite elementary schools utilize portables for instruction. Activities in these portable classrooms could potentially relocate to the vacated 6<sup>th</sup> grade classrooms.
  - After the vacated classrooms absorb the portable activities, there could potentially be 13 unutilized classrooms among the GMS feeders unless the schools can repurpose these spaces.
  - The district may consider consolidating schools, which could mean utilization of its vacated classrooms may occur.

Sincerely,			

January 9, 2023 Item No. VI.C.

### I. P19-003 Gallup – Rocky View/Red Rock ES – Construction Funding Request

II. Presenter(s): Martica Casias, Executive Director

Ryan Parks, Deputy Director

### **III. Potential Motion:**

Council approval to hold a special PSCOC meeting to award construction funding to Gallup-McKinley County Schools (GMCS) for Red Rock/Rocky View ES once bid day costs are received.

### **IV.** Executive Summary:

### **District Request:**

GMCS is requesting funding for Red Rock/Rocky view ES based on an architect's estimate in the amount of \$26,321,213 (state match) and \$6,580,303 (local match).

### **Staff Recommendation:**

Staff does not recommend approval of construction funding based on an architect's estimate.

### **Key Points:**

- It is PSCOC standard practice to require actual bid day costs from the selected General Contractor (GC) be utilized when requesting Construction phase funding from the PSCOC.
- Architect's estimate:
  - o Architect's estimate is based on construction documents that are 75% complete
  - o Any changes in the construction documents could add costs to the project requiring the district to come back to PSCOC for additional funding
  - Architect's estimate may be too low, requiring the district to come back to PSCOC for additional funding
  - o Architect's estimate may be too high, allowing contractor to bid based on the architects estimate
  - o Plans based on an architect's estimate do not include potential changes **contractors**. When a project is out to bid, there is a process where contractor asks questions which may change to cost and or the construction documents
- The Architect indicates construction documents will be complete January 2023.

- Construction Document timeline:
  - o **January 2023**: Design Professional (DP) completes construction documents and submits to District and PSFA staff for review and approval (21 days).
  - o February 2023: CID review (21 days).
  - o **February/March 2023**: Approved construction/procurement documents are advertised for GC response to the RFP (30 days).
  - March/April 2023: District and PSFA staff evaluate and recommend a GC to the District's School Board (school board meeting scheduled for March 20, 2022) – (approximately 30 days)

Estimated Red Rock/Rocky View	State Match	<b>Local Match</b>	
DD Estimate	Total	80%	20%
Total Estimated MACC	\$ 29,910,469	\$ 23,928,375	\$ 5,982,094
Soft Costs (10% of MACC)	\$ 2,991,047	\$ 2,392,838	\$ 598,209
<b>Requested Funding – Est. Project Cost</b>	\$ 32,901,516	\$ 26,321,213	\$ 6,580,303

### SUPPLEMENTAL MATERIAL

P19-003 Gallup – Rocky View/Red Rock ES – Construction Funding Request

### **Background:**

Funding Summar	State Match	<b>Local Match</b>	
	Total	80%	20%
Planning	\$ 75,000	\$ 60,000	\$ 15,000
Design	\$ 3,076,796	\$ 2,461,437	\$ 615,359
Out Year Construction Est.	\$ 27,758,662	\$ 22,206,929	\$ 5,551,733
<b>Total Estimated Project Cost</b>	\$ 30,910,458	\$ 24,728,366	\$ 6,182,092

### **History**:

**September 9, 2018:** Funding to complete feasibility study to determine option to maximize utilization of current school facilities including closure of Rocky View ES. Upon completion, district may return to the PSCOC for next out-of-cycle funding phase, approval of options and total student capacity limited to the GSF pursuant to the Adequacy Planning Guide and update to the total project cost estimate.

**July 13, 2020:** Design funding for a new Red Rock Elementary School, combining Rocky View ES and Red Rock ES, repurposing Rocky View ES as an administration building and demolishing the existing Red Rock ES, and constructing a new Red Rock ES with a design enrollment of 420 students, an approved square footage of up to 55,181 GSF, for a total request of \$3,076,796 with a State Share of \$2,461,437(80%) and a Local Share of \$615,359 (20%). The district shall provide a report detailing the proposed uses for Rocky View ES, and shall be obligated to maintain that facility at no additional cost to the state. If the district desires to use the facility as a school in the future, the school will not be eligible for PSCOC funding until an assessment by PSFA determines the school has a condition rating equal to or better than the average weighted New Mexico condition index.

### **Exhibits:**

December 14, 2022

**Martica Casias New Mexico Public School Facilities Authority** 1312 Basehart Drive SE Suite 200 Albuquerque, NM 87106

**Executive Director Casias,** 

The Gallup McKinley County Schools(GMCS), in partnership with your office, is requesting approval for an agenda item to be placed on the PSCOC Council meeting in January 2022. As you know, GMCS has received conflicting information and miscommunication from the PSFA school construction process. The District is requesting that the council approve the utilization of the Architect's Estimate in order to proceed with construction funding award for project P019-003 for Rocky View Elem/Red Rock Elementary replacement. Project P019-003 is now 5 years out from award and the District is working diligently to assure no additional delays are experienced.

In anticipation of proceeding with this project as quickly as possible, the District utilized bonding capacity for match funding requirements. The District issued General Obligation bonds through the New Mexico Finance Authority in August of 2019 in the amount of \$5,750,000. The District is currently working with NMFA, Jolin Anaya, Funding Coordinator because we need to expend these funds by August of 2023. The District has kept NMFA informed of delays and working with them to see what we will need to do to ensure no funds are lost.

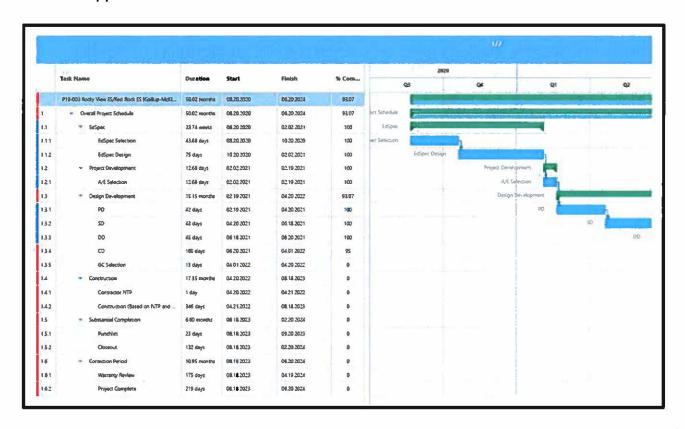

The District originally received this award on 09/19/2018. The project timeline was as follows:

Project Planning	
Start	2/15/2019
Project Planning	
Finish	1/15/2019
Design	
Development	
Start	4/1/2019

Design Development	
Finish	2/28/2020
Construction	
Start	3/30/2020
Construction	
Finish	7/15/2021
Final Completion	
Start	7/15/2021
Final Completion	
Finish	4/15/2022
Project Closeout	
Start	7/15/2021
Project Closeout	
Finish	7/15/2023

This project however has experienced several years of multiple delays at this point. The District has attempted to work through this extensive and bureaucratically burdensome process but we continue to see delays and revisions to documents at each stage in the process. We do understand that formal written procedures are being discussed on the process, however, without any formal processes we are often left for months without progress or communication.

Here is a copy of the current ebuilder schedule information:

Here is a list of current timeline activies and delays related to the roofing design approval that had several months of delay.

May 10 – Received contact info & sent documents to Roofing & Performance Assurance (PAC) consultants

 Both PAC and Roofing confirmed receipt and indicated review would be complete by May 30

May 23 - Submitted to PSFA

June 6 - PSFA returned submittal with the following requirements:

- Provide estimate
- Complete food service application
- Provide review from Performance Assurance Consultant (PAC)
- Provide review from Roofing Consultant

June 14 - Roofing consultant PO was not executed, and they were told not to proceed

June 21 – Request to continue with CDs from FBT while DD review is in progress was not approved (email from Richard to FBT, District CC'd)

- DD's must be complete and approved prior to CD progress
- PAC & Roofing reviews must be complete prior to moving forward
- Both of those vendors must have PO's in place to prior to starting work
- Any work compete by FBT would be at our risk and we would not be able to invoice until all approvals are in place

June 24 – Met with Richard & Roxy to review 3<sup>rd</sup> party estimate

June 27 - Food service application complete by District

June 30 - Uploaded docs to PSFA

- Estimate
- Food service application
- PAC review

July 8 – Roofing contract and PO still not in place pending insurance issue

July 8 - NM Roofing Consultants sent COI to state

July 16 - NM Roofing Consultants po was issued by the district

July 18 - No update on roofing PO

July 25 - No update on roofing PO

July 25 - PSFA sent email that the commitment form roof consultant was in CA review

August 1 - No update on roofing PO

August 22 – No update on roofing PO – FBT Noted that the CD schedule for the project cannot be maintained

**September 6** – Received direction to proceed with roofing review & transmitted docs to Joseph Hughes

September 15 – Received comments from roofing consultant & Resubmitted DD package to PSFA

October 5 – Received final approval from PSFA to proceed with CDs

In order to move forward and not experience any additional delays on this project, the District requests that the council approves the use of the architect's estimate in order to proceed with the construction funding award.

Sincerely,

Mike Hyatt

Superintendent

MOU; Memorandum of understanding is signed

Planning; project planning, developing RFP

Design development; design development through construction documents

\* teacher housing added to existing project in July-August 2021

January 9, 2023 Item No. VII.A.

### I. Teacher Housing Policy for Standards-based Awards

**II. Presenter(s):** Alyce Ramos, Programs Manager

Martica Casias, Executive Director

### **III. Potential Motion:**

Council approval of the policy for Standards-based awards to include teacher housing in rural areas only, where there is no reasonable housing available within ten miles. District must demonstrate the need for teacher housing and intent to recruit/retain teachers with housing.

### **IV.** Executive Summary:

### **Staff Recommendation:**

Apply the Pilot Teacher Housing program rules, adopted in July 2022, to Standards-based awards that request teacher housing. The policy would limit including teacher housing units to rural areas only with no available housing within ten miles.

### **Key Points:**

Currently, Standards-based awards can include teacher housing units as part of the overall project. These requests are approved on a case-by-case basis.

### SUPPLEMENTAL MATERIAL

### **Teacher Housing Policy for Standards-based Awards**

### **Background:**

Beginning with the 2020/2021 application cycle, PSCOC began funding teacher housing projects through the Standards-based award program.

### **History:**

### July 18, 2022:

Council approval of Teacher Housing Pilot Program and rules, to include rural-tribal areas only where there is no available housing within ten miles or 30 minutes. Pilot program is limited to \$10M; with waivers allowable. Staff to provide a revised questionnaire and ranking proposal consistent with the motion for approval by the PSCOC Chair, AMS Chair (Mr. Robbins) and Ms. Padilla.

### April 13, 2020:

Limit PSCOC participation in teacher housing projects, as part of standards-based awards, to housing that is on an eligible school site or that shares a property boundary with an eligible school site.

### **Exhibit(s):**

# VII. <u>Informational</u>

- A. Statewide Education Network (SEN) Update
- B. Project Status Report

## I. Statewide Education Network (SEN) Update

**II. Presenter(s):** Martica Casias, Executive Director

### **III.** Executive Summary (Informational):

#### **Key Points:**

### Statewide Education Network (SEN) Contract Negotiations Status Initiation:

- Direction from PSCOC to start contract negotiations for Phase I with highest offeror March 14, 2022
- Approval from PSCOC to hire attorney to assist with contract negotiations for Phase I
   May 2022. Negotiations

### Phase I – (current work is only Phase I):

- Implementation of SEN nodes and their locations
- Last mile connections from node to participants (schools)

#### Phase II – (future work):

- Additional nodes
- Add school districts whose contracts with their current internet providers were still in effect during Phase I

# June 2022 Update:

#### Concerns:

- Validation of commitments to join SEN from school districts and charter schools
- Costs
- Number of nodes needed
- JPAs between entities housing nodes needed
  - o Electrical and HVAC upgrades needed
- Not working closely with OBAE
- Number of staffing needed to support SEN
- PSFA responsible for management of SEN

# July 2022 Update:

- June 6<sup>th</sup> weekly technical meetings began with highest technical offeror for SEN backbone
- AMS directed PSFA to actively engage in obtaining more signatures from school districts. PSFA held GTM for all superintendents on June 23, 2022
  - o Three more signatures were obtained; total of 18
- Technical meetings and updates shared with then OBAE Director Matt Schmidt
- Concerns:
  - o Sill need more commitments from school districts and charter schools

- o Level of commitment not defined because costs not yet determined
- o All nine nodes may not be needed
- o JPA between entities housing nodes needed
  - Electrical and HVAC upgrades needed

## **August 2022 Update:**

• Contemplation of JPA

### October 2022 Update:

- Request for consultant to provide technical support to the RFP for the following (task
   1):
  - o site readiness
  - o network operations and management
  - o aggregation site operations and management
  - o managed network security services
  - o Operation Procedures Manual
- ON call partner negotiations (task 2)
- SEN implementation support and verification (task 3)
  - o Attend project kick-off meetings and monthly project status calls with each vendor
  - o Review and approve project plans and timelines
  - o Review report from PSFA and the awardee of project metrics and milestones as provided in the contract
- Consideration for JPA between PSFA and OBAE

# November 2022 Update:

PSCOC approved JPA between PSFA and OBAE dependent upon contract completion with highest offeror (Lumen)

# **December 2022 Update:**

PSFA and OBAE attorneys are holding weekly meetings and working on the terms and conditions in the contracts. There are items that the State requires with which Lumen does not want to comply.

- 2 from PSFA
- 2 from OBAE
- Several from Lumen

Additionally, attorneys are awaiting concurrence from all technical participants regarding the Scope of Work (SOW). SOW is needed to complete contract in conjunction with terms and conditions:

- Consultants working on SOW
- OBAE technical staff reviewing
- PSFA Broadband staff reviewing

#### 2 core nodes are included in Phase I:

- 1. UNM (505 Marquette)
- 2. NMSU

### 4 aggregation nodes are included in Phase 2:

- 1) UNM Gallup
- 2) San Juan College
- 3) NM Highlands University
- 4) Santa Fe Indian School

#### Concerns:

For the SEN contract, the following is necessary:

- Agreed upon SOW; currently under review by Lumen
- Confirmed number of participants (school districts and charter schools)
- Confirmed pricing (cost)
- Service Level Agreements needed based on SOW
- Equipment needed (concurrence needed), based on SOW
- Adherence to PSCOC approved SEN guidelines
- Which sites will go to which providers
- Three different contracts (segments):
  - 1) SEN backbone contract (1)
  - 2) Last mile contracts (5)
  - 3) Commodity internet contracts (2)
  - o last mile and commodity internet are dependent upon the SEN backbone contract completion
- Number of participants dependent upon termination dates of current internet provider contracts.
  - School districts with signed the letters of intent (Phase 1):
    - 1) Belen Consolidated Schools
    - 2) Capitan Municipal Schools
    - 3) Gadsden
    - 4) Jemez Mountain
    - 5) Los Alamos
    - 6) Santa Fe
    - 7) Santa Rosa
  - o School districts needing Superintendent signature (Phase I):
    - 8) Albuquerque Public Schools
    - 9) Farmington
  - Charter schools with signed letters of intent (Phase I)
    - 10) Choral Charter
    - 11) Health Leadership

12)	Mark Armijo
13)	Monte del Sol
14)	Mosaic Academy
15)	Mountain Mahogany
16)	New America School
17)	Vista Grande HS
18)	William Dorn

- Once PSFA has the necessary information for inclusion in to the contract, Lumen must review and agree
- Must use SOW that is consistent with RFP (last mile)
- Equipment needs were not part of the RFP
  - o OBAE ordering equipment
- JPA between entities housing nodes needed
  - o Electrical and HVAC upgrades needed

### **Current Timeline:**

PSFA staff aims to present completed contract to PSCOC at the April 2023 meeting OBAE drafting timeline with completion date at end of February 2023.

# I. Project Status Report

II. Presenter(s): Martica Casias, Executive Director

Ryan Parks, Deputy Director

# **III.** Executive Summary (Informational):

### **Key Points:**

Projects that are behind, based on MOU schedule, but making progress:

- Alamogordo Public Schools (APS)
  - o P20-001 Chaparral MS Design is 75% complete.
  - o S19-002 Buena Vista ES MOU fully executed. No progress
- Belen Consolidated Schools (BCS)
  - o P19-002 Jaramillo ES On hold pending the outcome of the ongoing Facilities Master Plan.
- Bernalillo Public Schools (BPS)
  - o S19-004 Bernalillo MS Construction is complete.
- Central Consolidated Schools (CCSD)
  - o P20-002 Newcomb ES Design is 40% complete.
- Dexter Consolidated Schools (DCS)
  - o S18-006 Dexter ES Outstanding warranty issues in process of being resolved.
- Gallup-McKinley County Schools (GMCS)
  - o S20-006 Tse Yi Gai HS Design is 95% complete.
  - o S21-004 Tohatchi MS No progress.
  - H15-006 Thoreau Teacher Housing No progress.
  - o P19-003 Rocky View/Red Rock ES Design is 89% complete.
  - o P19-004 Tohatchi HS Design is 75% complete.
  - o H19-004 Tohatchi Teacher Housing No progress.
  - o H21-005 Crownpoint Teacher Housing No progress.
- Grants-Cibola County Schools (GCCS)
  - o P20-008 Bluewater ES RFP for Construction is in process.
- Hobbs Municipal Schools (HMS)
  - o P21-004 Heizer MS Planning work is in progress.
  - o S20-007 Hobbs HS No progress.
- Las Cruces Public Schools (LCPS)
  - o Projects in the 11 month warranty correction phase
    - S19-020 Hillrise ES Is 80% complete, with two months remaining.
    - S19-021 Mayfield HS Is 80% complete, with three months remaining.
    - S19-022 Oñate HS Is 80% complete, with 13 months remaining.
    - S19-023 Picacho MS Is 80% complete, with three months remaining.
    - S19-024 Vista MS Is 70% complete.
  - o P20-005 Columbia ES Design is 60% complete.

### SUPPLEMENTAL MATERIAL

### **Project Status Report**

- o S19-010 Lynn MS Construction is 30% complete.
- o S21-001 Tombaugh ES Design is 5% complete and is on hold.
- o S21-003 Onate HS Design is 25% complete and is on hold.
- o S22-012 East Picacho ES Design is 5% complete and is on hold.
- o S22-013 Zia MS Design is 5% complete and is on hold
- o S22-014 Hermosa Heights ES Design is 5% complete and is on hold.

### Las Vegas City Public Schools (LVCPS)

- o P19-006 Sierra Vista ES Design is 25% complete and is on hold.
- o S18-003 Los Niños ES Ph. II In 11 month warranty correction period and is 70% complete, with five months remaining.
- o S22-011 Paul D. Henry ES Design is 10% complete and is on hold.

### • Los Lunas Schools (LLS)

- o P19-008/K21-002 Peralta ES Design is 50% complete with 6 months remaining.
- o K21-003 Raymond Gabaldon ES On hold pending the outcome of the ongoing Facilities Master Plan.
- o S19-013 Los Lunas MS Construction is 90% complete with 1-2 months remaining..

# New Mexico School for the Blind and Visually Impaired (NMSBVI)

o P14-020 Sacramento Dorm – Is in construction and is 30% complete.

## Portales Municipal Schools (PMS)

- o K18-011 Brown Early Childhood Center Is in the 11 month warranty correction phase.
- S22-003 Portales HS Is in the planning and is 55% complete.
- S22-008 James ES Is in the planning and is 55% complete.

# • Quemado Independent Schools (QISD)

 $\circ \quad S22\text{-}024-Project \ on \ hold \ due \ to \ District \ readiness.$ 

# • Raton Public Schools (RPS)

- o S22-001 Longfellow ES Is in Planning & Design and is 55% complete.
- o S22-005 Raton HS Is in process of starting Construction.
- S22-007 Raton IS Is in process of starting Construction.
- o S22-010 Columbian ES Project on hold due to district readiness

## • Roswell (RISD)

- o P20-006 & P20-003 Washington Ave. ES & Mountain View MS Projects on hold due to ongoing FMP and are 99% complete.
- o S20-001 Roswell HS District is in the process of procuring the Contractor.

# • San Jon Municipal Schools (SJMS)

o S20-005 – Combo School – Design is 25% complete and is on hold due.

# • Springer Municipal Schools (SMS)

o S22-026 – Demolition – Project is hold due to district readiness.

# • Socorro Consolidated School District (SCSD)

o S22-025 – Demolition – Project is hold due to district readiness.

# SUPPLEMENTAL MATERIAL

# **Project Status Report**

- Truth or Consequences Municipal Schools (TCMS)
  - o S22-027 Demolition Construction is 10% complete.
  - o S22-006 Sierra ES Design is 98% complete and is on hold.
- Tularosa Municipal Schools (TMS)
  - o P19-017 Tularosa MS Project is hold due to district readiness.
- West Las Vegas Public Schools (WLVPS)
  - o S19-018– Tony Serna Jr. ES district has determined not to proceed with the feasibility study recommendations

### **Exhibits:**

A – January 2023 Project Status Report

Thursday January 5, 2023

PP = Project Planning - Developing RFP/Contracts for Ed Spec Writer, Development and Approval of Ed Spec.

DD = Design Development - Project design development through construction Documents (plans and specs, bidding/proposal phase)

C = Construction - Project Under Construction

FC = Final Completion - All closeout documentation submitted and approved. Final payment approved.
